SHIPMATES!!!!!!

WELCOME TO MY FIRST ISSUE AS EDITOR OF THE LOG!

As our more seasoned Mates will tell you, THE LOG will be only as good as the information you send me. I am counting on you to pass me news about you and other Mates, on a regular basis. Email or mail your submissions to me at: Mate Mike Harris, Editor "The Log", 3300 Pleasant Plains Road, Apex, N.C.27502, Email editormike24801@msn.com Phone (H) 919 387-0611. Be as brief as you can, as there is limited space for each issue, knowing that I may have to edit it down if I have to. ALSO, let us know if we make a mistake or forget to include something you sent to us to share with other Mates, and we'll publish a correction. Editor and Mate Mike Harris

69TH CREW REUNION, MAR 18-20, 2005 @ DAYTONA BEACH

IT'S TIME TO BEGIN TALKING ABOUT OUR 69TH CREW REUNION, AT THE FORMER ADAMS MARK DAYTONA BEACH RESORT, DAYTONA BEACH, FLORIDA, NOW THE HILTON DAYTONA BEACH RESORT; JUST A SCANT 7 MONTHS AWAY!

AT LAST MARCH'S REUNION IN TULSA, we honored Past Jaycee President's, including a luncheon recognizing their respective years at the helm of The U.S. Jaycees. We will repeat that popular event again at Daytona Beach, hoping to convince MORE Past Presidents to attend, to break the record set last year of 14 (or was it 15) Past Presidents.

AT THE 69TH REUNION, WE WILL ESPECIALLY HONOR THE LIVING JAYCEE "PIONEERS" AND JAYCEES OF THE "GREATEST GENERATION" THAT CAN ATTEND; those Shipmates who were active Jaycees BEFORE World War II. AND those who served in WWII and came out of the military to help build our country and the US Jaycees. Florida, being home base to America's "snow birds", should be fertile ground to recruit large numbers in these two categories!

In keeping with the theme of our March Reunion, we have appointed MATE J.L. MCMULLEN, 726 Suwannee Ave., SW, Live Oak, FL 32064 as HONORARY CHAIRMAN of Crew Reunion 2005.. A member of the Crew for nearly 50 years, J.L. has had many phone conversations with fellow Floridian Mate Kim Newlin, talking about the old days in the Miami and Florida Jaycees. We hope to hear some of his reminiscences at REUNION 2005.

NEWS AND "NOTES IN A BOTTLE" FROM MATES IN SCATTERED PORTS

Jimwes@msi.ecu.com, Jim Westberry, Apartado 17-22-20297, Cumbaya, Distrito Metropolitano di Quito, ECUADOR. "To our friends, the time has again come to seek a new challenge. During the month of November we moved to Quito, Ecuador to head a new project. Above is our new address. Please keep in touch. Thank you for your collaboration and friendship over the years. Special thanks to our Mexican friends for the privilege of enjoying your beautiful country during the past 26 months. Always your friends"... **Mate Jim & Lea Wesberry**

MATE JEFF DAVIS, Gainesville, GA states that his first introduction the Crew was while serving at National VP for Public Relations in 1959-60. "I was awestruck to get to meet and mingle with so many legends in Jaycee history. What an inspiration. The Jaycees taught me to stand up and speak up, and though I may not do so with the gusto of previous years, two strokes having taken virtually all my eyesight and sense of Direction, I'm still trying to pay my civic rent. Anyone in the crew who is interested should go to our website, <http://www.georgiaheritagecoalition.org> where I am volunteer chairman."

MATE HUNK HENDERSON (President, USJCC 1953-54). San Francisco, CA "Mate Kim: My wife and I are going to visit the Orlando area and we have relatives in the Sanford area. We are interested in the possibility of moving to Florida and we will especially look at two golf gated communities called The Plantation and The Colonnades near Leesburg. Vera and I have been trying to get out of San Francisco (Baghdad by the Bay) for the last 10 years and it looks like Florida is the only place where we can find a nice home for what we can afford to pay. So we may be seeing you down there sometime in the future." (Make it the Daytona Beach Reunion, Hunk <Bob>)

"Mate Bob, with sincere regrets, **Ruth & MATE BOB GANO**, (Idyllwild, CA) will not be able to attend the (2004) Crew Reunion. We spoke to our respective physicians last Friday and again today and they both advised against traveling at this time. Our medical problems are not life threatening but are restrictive. We must stay close to home. You and your teammates have organized one of the best Reunions ever held. We really feel bad about not being there. Hopefully, we can join you all next time."

MATE MIKE MILDER (Senator #23), Omaha, NB, wrote "Bob, I don't remember if I told you that the reason I won't be in Tulsa is because I am getting a knee replacement. This will be a follow up to the one I got in December. I am sure that it will be a fabulous occasion and regret not being there."

MATE GARY LAZATERA, Rutland, Vermont "Dear Mate Bob, first of all thanks for the great communications you give to all of us crew members! I want to pass along that MATE CARL KEPLINGER has been in an assisted living facility since suffering a severe stroke in 1993. Each year, I visit him while vacationing in Virginia Beach. **MATE RON CHANEY** visits Carl on a monthly basis during the year. **MATE CARL'S address is: Carl Keplinger, The Laurels of Willow Creek. 11611 Robious RD, RM 307-A, Midlothian, VA 23113.** "

MATE JOHN A. RIGGS (Senator 24081) Reno, NV, " It has been a few years since I have been contacted by my fellow CREW MATES and I was very pleased when you did. As the 1979/80 President of the Nevada Jaycees, I was already a humbled member because Virg Labow had nominated me about 1978. I have met so many distinguished Jaycees since then it has been an honor to be listed with you all. I am looking forward to future e-mails and renewing old contacts. As Pres. Of the NV JCI Senate this year, I have sent you my NV Senate list and Old Timers, and am currently looking for other members of the CREW here in Nevada that have been lost over the years. Whatever I can do to help, I will.

99 YEAR OLD MATE BENSON SKELTON, retired President of the Southern Bakers Assn, lives in Tallahassee, FL at 2507 OLD ST AUGUSTINE RD #234, Tallahassee, FL 32301, (H) 850-531-041. He would like to hear from you. He will be 100 November 26, 2004, and the best MATE JL McMULLEN and I (MATE KIM NEWLIN) can figure out, he was President of the Tallahassee Jaycees in 1932/33.

MATE PHIL BERRY, Past NVP and JCI World President in 1986/87 lives in Louisville, KY. He is President and CEO of a Handicap Charity. His home phone is 502-290-1252. and his email is philberry00@yahoo.com. He would like to hear from his old friends.

NEW MATE GEORGE SMATHERS. According to the Miami Herald, Mate George celebrated his 90th birthday at the Miami City Club, and one of the speakers was Mate Sloan McCrae(90 years young). Mate Kim Newlin remembers meeting Mate Sloan in the Spring of 1994 at the Key Biscayne Presbyterian Church, where he had come to do a Eulogy for Mate Richard M. Nixon at a memorial service there.. Mate George swims daily at his home in Indian Creek Village, that he shares with his wife Carolyn, and still goes to work daily at his law office.

Mate Kim Newlin has also located **MATE DR. ED ANNIS** (N Miami) who turned 90 recently.. Mate Annis is a past President of the American Medical Assn (1962-64) and a retired Surgeon at Mercy Hospital. Joining the Tallahassee Jaycees in 1938, he is Past President of the chapter and was a member of the Greater Miami Jaycees. His kids have gotten him a PC and he hopes to have an e-mail address soon. .

MATE CAROL SMITH (formerly Ehlen) and Past US Jaycees NVP in 2001, updated her Roster information. Carol Ehlen-Smith, 4431 Sweetgum Place, Dayton, Ohio 45424, (H)937-361-3824, (O)614-786-7962, and Cmeinohio@aol.com (e-mail).

MUSINGS FROM THE KEEPER OF THE LOG

Talked to **MATE PARK SHAW, JR** (Col USA Ret) on the eve of his visit from Arizona to the WWII Memorial Dedication in D.C., but we could never connect in the crowd on that special day. He sent us a check for The Log AND a check for "History of The Crew 2004".

MATE REED LARSON called me after Mate Wayne Field saw his name on the "lost contact" list, and sent a check asking to be put back on the mailing list. He still goes to work 4 days a week at NRW, and lives in Williamsburg.

Talked with **MATE J.L.McMULLEN** and asked him to serve as Honorary Chairman of our upcoming Reunion. What a positive attitude! Now 93 years old, having been diagnosed with CP in 1950, Mate J.L. uses a motorized wheelchair and among other things, attends Rotary Club Luncheons most every week. Mate JL was the youngest Clerk of Court ever elected in Florida. Age of 18!

MATE JIM O'CONNELL writes from the West, where he and Phyllis have lived off and on but mostly on for 4 years; visiting their three daughters. He has even been attending meetings of the Wyoming Jaycees, out there! They are beginning to scout retirement locations in South America or Mexico. Continue to contact him at the address in the directory or by phone at 815-715-0204.

MATE LIT MAXWELL writes "On February 27, 2004 at the Omicron Delta Kappa national convention in Norfolk, VA, I was recognized by ODK with the Robert Bishop Faculty Advisor Award for service to the University of Richmond's Circle and to the Society. At the same time in Richmond, I received a Story Award for community service over time... but particularly to the Coal Pit Learning Center, a pre-school here in Henrico County for children at risk. My wife accepted for me.

Lois and I visited the site of our 2005 Crew Reunion while attending Lois's family Reunion at Daytona Beach, in June. Hilton Hotels has purchased the Adam Mark, and will put \$23M into remodeling an already outstanding hotel property, by the time we arrive there in March 2005. We met with the Banquet Manager, as well as the Jaycee Meeting Chairperson Heidi Juttner, and made all the arrangements. Our Reunion promises to be one of the best in our history!

MATE ANDY SHAW, (Senate #2269) (410) 857-9411(H) & 410-876-0017(F), Westminster, MD 21157 sent me a check for THE LOG and wrote in part, "I was introduced to the Jaycees at the age of

thirty and made the most of the years I had left. I participated in many World Congresses starting with Rio de Janeiro and enjoyed all of my years of being in the Jaycees. I thoroughly enjoy receiving The LOG and hearing about other members of the CREW." And he goes on to say that he and Jane were in a bad automobile accident in 1991 which resulted in many back surgeries, so their .."traveling days are gone forever. Our *hobby* was raising, training, showing and breeding **Tennessee Walking Horses.**"

Editor/MATE MIKE HARRIS had lunch with North Carolina **MATES BOB COX AND HARRY STEWART** just before our March Reunion, and they reported that their wives are not well, so they wouldn't be able to come to our CREW Reunion in Tulsa. Mate Mike also talked to **MATE BILLY HARRISON** (Senate # 180), who said his heart might give him problems if he tried to travel. Lois and I remember Billy and Kate's hospitality when we spent the night at their home back in the 70's.

MATE GEORGE FRASER sent me some interesting material about his trip to France in 1947 with the "Michigan Friendship Food Caravan" We'll talk about that and other pre and post WWII Jaycee activities at the 2005 Reunion, George!

MATE PAUL PENDORF sent a check for THE LOG, and wrote that things are going pretty well with he and Sandy, with homes in California, Wisconsin, Virginia, and soon New York City. Sounds good!!

MATE ROLAND TIBBOT wrote a long letter, enclosing a copy of his EVP 1957-58 USJCC Annual Report, with the offer of his 3 inch thick scrapbook. A wonderful letter, Roland. Bring the scrapbook to the 2005 Reunion!

We're trying to build a complete set of LOG's for our permanent files, so if you have copies of LOG's up to and including the 70's, and would part with them, send them to me. I'll see that they are kept safe and will pass them along to the next Keeper.

MATE MOTON CROCKETT, Austin, TX. His secretary called to tell us couldn't make it to the 2004 Reunion because of illness, and **MATE ORVIN FJARE**, Big Timber, Montana didn't show after Registering. We would like to hear from or about these two Mates.

We need your help to find Mates that have been lost from our mailing list. A GOOD TEST would be to call Mates that YOU know SHOULD be on our list, to see if THEY received a copy of THIS LOG. If you find anyone, notify MATE KIM NEWLIN!

MATE DICKY TAYLOR (VA) "Dear Mr. (Mate Wayne) Field...I received your January 31, 2004 letter today addressed to my husband, Dick...and wanted you to know that he died August 13, 2002. His cancer returned and he was very brave for the last months of his life. He was able to die at home, in the only house he ever lived in, built by his Father in 1923, and without any pain. I met you and your lovely wife when Dick and I, and Nadine and Gene Kokinski came to MN for a meeting. I have to tell you, that the Jaycee organization was one of Dick's proudest memories....the friends he made, the accomplishments of the organization, he always spoke highly of this group. He also credits the organization with helping him in being a Judge. I sold our big house in Hanover and downsized and moved to Richmond about a year ago. If ya'll are ever in the area please call. Thank you for thinking of Dick and have a wonderful Crew meeting. Sue Stephens Taylor, Widow of Judge and Mate Dickie (Richard H.C.) Taylor "

That's a total of \$1,015, which nearly pays for another paper issue of THE LOG!. As you know, there is no expense involved in distributing the E-LOG, the Email version of THE LOG, to the 450 Shipmates we have on our Emailing list. *To publish and mail a printed version of THE LOG to our entire list of 1200 or so, however, costs about \$1200, and we are dependent upon your voluntary contributions to make that happen.* The \$1,015 we have received from the above, is the reason you re receiving this issue of THE LOG, today! **THANK YOU!**

Mail YOUR Log donation check to Bob Lindholm, Suite G-2, 900 S. Washington Street, Falls Church, VA 22046, payable to "The Crew", with the notation "For The Log".

"HISTORY OF THE CREW 2004", by Historian and Mate Wayne Field, available for purchase now. Distributed as part of Registration at the 68th Reunion in Tulsa, "History of The Crew 2004" costs \$50, which includes the cost of mailing. Make your check payable to "The Crew", and mail it to the Keeper of The Log, Suite G-2, 900 S. Washington St, Falls Church, VA 22046. In addition to the current roster of Crew Members and their addresses, phone numbers, and Email addresses, it includes among other important information, the Jaycee histories of the many Shipmates that responded to Mate Wayne's appeal to have their Jaycee history included in the "History...". **The \$50 cost will also pay for an addendum to be published in the future, with an updated version of the Crew Roster AND ADDITIONAL JAYCEE HISTORIES OF SHIPMATES THAT DID NOT GET THEIR HISTORY IN TO MATE WAYNE BY HIS DEADLINE.**

NEW JAYCEE BACKGROUND INFO should be sent to Mate Kim Newlin, 755 Allendale Rd., Key Biscayne, FL 33049 to hold until we get a volunteer to act as a Co-Historian, who will accumulate the submissions and assemble them for printing the Addendum. **INFORMATION NEEDED: (1)Name, (2) Dates of Jaycee service, (3)Offices held and honors received, (4) What Jaycee(s) inspired you the most, (5) two significant Jaycee Events in your life, and (6) your future vision for the Jaycees.** Try to keep it on a single page, and understand that it will be included in The Addendum exactly as you submit it, with no rewrite. **Applicants for the Co-Historian job should contact the Keeper of The Log. You may go to the Crew Web Site and provide this information as well by visiting <http://www.usjcccrew.org> and clicking on the "Crew Update" link. This will then be sent via the Internet to MATE KIM.**

NEW DECKHAND JOINS THE CREW VOLUNTEER TEAM. MATE KEVIN KREPINEVICH HAS COME ABOARD to setup and host our own crew website at <http://www.usjccccrew.org>. If you were at our CREW Reunion in Tulsa in March, you met Past U.S. Jaycees EVP (1986/87) Mate Kevin, who by that time had volunteered and already set up our CREW Website. As a Co-Keeper of the LOG (Webmaster), former Pennsylvania Jaycee Mate Kevin lives in Chantilly, VA where he owns and operates his own company, **WEB SITE ASSIST**, (703) 402-8674, e-mail: kwkcae@websitesassist.com. **IF YOU WANT TO ACCESS OUR CURRENT CREW ADDRESS LIST to look up the name, address, phone number and Email address (if they have one) of any of our fellow Shipmates, PRINT AND SAVE THE FOLLOWING DIRECTIONS::** (1). Go to <http://www.usjccccrew.org>, (2). Select "Crew List" link from main page, (3). Then, select "Click here to search the roster", (4). You will then be challenged for a "username" and "password". The username is "mate", the password is "crew", (these are case sensitive) (5). Type the username and password in all lowercase letters, and hit the "enter" key, & (6) The directions will then tell you how to use the "search form". Mate Kevin *has brought the CREW of the SS Fellowship into the 21st Century!*

WE'RE "CASTING OFF" FOR THIS ISSUE, to dock again in December, so that's all for this Summer issue of THE LOG. With your help and support, we will mail a December "Winter" issue, with more news and Reunion updates. PLEASE EXCUSE, BUT TELL US ABOUT ANY MISTAKES OF OMISSION OR COMISSION as we strive to publish and distribute THE LOG several times annually. We have "scrunched" it together to get it down to 10 pages, part of which was done without "spellcheck".

For all of the years that Mate John Armbruster was Keeper of The Log, he closed each LOG with a quotation.. In the February 15, 1976 LOG he wrote: "I've been writing THE LOG for 40 years, and during that period I have seen Mates fall, then rise again. It reminds me of the wisdom of Cicero, who wrote 'Our greatest glory is not in never failing, but in rising every time we fall.' "

Bob Lindholm
Keeper of The Log
