

# Log of the Fellowship

FALL 2010 ISSUE

## INTRO BY THE KEEPER OF THE LOG

The 75<sup>th</sup> Annual Reunion of the CREW of the SS Fellowship is next June 10-12, 2011. Mate Chuck Fries has agreed to be our General Chairman for the event. Mate Joan Armbruster-Fiala is being approached to be our Keynote Speaker and Honorary Chairman for our Reunion which will honor Mate John Armbruster, her father and our Founder. Our theme this Year is *the CREW of the SS Fellowship, Past, Present, and Future*.

We will be meeting with the US Jaycees at their 91st Annual Convention. For those who will not be attending TOYA on Saturday night, dinner is on your own but the CREW Hospitality Room will be open for drinks and hors d'oeuvres. This is an opportunity of a life time for CREW members, CORPS members, and US JCI Senate members to save money as the US JCI Senate BOD meeting will be in Naperville, IL June 12-17. The Corps meeting will be on Sunday morning after the CREW breakfast; all for the cost of one flight with the only additional cost being the their registration and hotel room. So come early to our CREW Reunion too. Hopefully, I will have the CREW room open for Hospitality on Thursday Evening.

My Chairman, **Mate Chuck Fries** says that Mates who will be arriving by plane will be flying into the Chicago O'Hare International Airport which is about 24 miles east of the Wyndham Lisle. You will have to rent a car or take the Windy City Limo Service. To schedule a ride for \$30 from the airport to the Hotel, call 866-949-4639.

Consider extending your vacation to experience everything the city has to offer. Even though it is the 3rd largest city in the United States, Chicago's Midwestern values and great people make it the best of both worlds: small town America with the fun and excitement of a large city. The Wyndham Lisle is located in the western Chicago suburb of Lisle, Illinois only minutes from the Morton Arboretum & Sea Lion Park, four miles from downtown Naperville which has a Riverwalk area, ten miles from the Oakbrook Center Mall, a short distance from the Premium Outlet Mall, Chicago Cubs, many historical sites, museums & nearly 200 art galleries, more than 7,300 restaurants, 26 miles of lakefront and 552 parks, and 15 miles of bathing beaches and 19 miles of lakefront bicycle paths

Don't forget the US Jaycees premiere event, the TOYA program on Saturday night. This event is optional for the CREW (see registration form attached as the last page). The Optional early registration fee for TOYA of \$75 will cover all Mates up until May 22<sup>nd</sup> for TOYA and after that will go to \$100, which includes the reception, dinner and the TOYA Program.

You should call the Wyndham Lisle Hotel & Executive Meeting Center immediately to reserve your room for the CREW next June 10-12, 2011. The hotel is located at 3000 Warrenville Rd; Lisle, IL 60532. For reservations call 866-615-4206 or 630-505-1000 and ask for the US Jaycee rate of \$115 plus tax.

For more information on the Wyndham Lisle Hotel, go to their website: <http://www.wyndhamlislehotel.com>. For more information on the Jaycee events and how to get there, go to: <http://usjc.spotlightportfolios.com/91annualmeeting/>. Mates, make your flight and room reservations ASAP!

Since I also keep the Roster, I have noticed a decline in the number of members of the Crew. Losses due to deaths combined with fewer nominations are factors contributing to this decline. Many current logs are returned and I fear many more may be deceased than we are aware of. Even with those US Jaycee officers who become automatic members (Mates) at the end of each year, we will have a net loss of Mates. I have observed that many past State Presidents have yet to be nominated as Mates of the CREW. I would ask that you consider nominating your past State Presidents. Nomination procedures are contained elsewhere in this issue of the LOG,

Your continued financial support is still needed to publish the LOG. Contributions and/or ideas are needed to raise the \$1300 needed to publish each issue. Details on how to donate and the list of Donors for this Issue of the LOG are shown later.

**Mate Mary Sawyer** is now collecting info for the 4th Addendum to the Blue Book "A History of the CREW 2004". Please make sure your Bio makes it into this historical document of the CREW. Mate Mary who is Co-Keeper of the LOG (Special Projects) has done a fantastic job in putting these addendums together. For those who want to get this addendum and all others except for the obsolete roster, see latter part of this LOG where Mate Mary discusses how to order your Blue Book for a \$50 dollar donation which includes all addendums as well as information on submitting your Jaycee Bio-Sketch if you haven't done so.

Last summer there were extensive discussions on how to help and save the US Jaycees. Don't forget **Mate Hardy Smith's** request: "*Just don't just sit there and watch the Jaycees disappear into oblivion. It is time for them to focus their purpose for America needs them to make our communities better places to live and train future leaders. So get up off of your duffs and engage them to focus their passions as we did so the Jaycees can be a force to be reckoned with again.*"

And don't forget to submit news items for the next LOG issue to **Mate Calvin Baerveldt**, Co-Keeper of the LOG (Editor) by email to [jci36419@gmail.com](mailto:jci36419@gmail.com) or to 7892 Hammond Parkway, Laurel, MD, 20723.

*If you would like for us to use your letterhead for publication of the next LOG, mail 1500 sheets of your stationery to me.*

## CREW REUNION 2010 HOSPITALITY SUITE SPONSORSHIP

We are once again requesting sponsorships for our Hospitality Suite -- for those Mates that would like to remember a Mate or an event in their Jaycee life, who cannot attend the Reunion personally, or who simply want to help sponsor the "hospitality" part of our 75th Reunion. A \$100 or more sponsorship will be used to defray the cost of the Hospitality Suite, along with the food and drinks served there. As at the 74<sup>th</sup> Reunion, a list of the donors and their names will be published in the Reunion Program. Checks should be mailed to me and made out to "The Crew of the SS Fellowship" with a notation of *CREW Hospitality* on the bottom left hand side. We want to thank the following Mates for their generous contributions thus far to the Hospitality Suite for the 74<sup>th</sup> Annual Crew Reunion -- **Mates Moton Crockett, Bacardi Corporation, Walter Evans, John Sprole, Don E. - **Mate Jim Hyatt** Broker/Owner of Hyatt Real Estate and JCI Senator 22909 was President of the Kansas Jaycees in 1976/77 and finished #2 in the Parade of States. He has found the exchange of emails on the CREW's Yahoo site very interesting. He stated that Frank Ziebel (and virtually every leader of that era) would have run you out of the room for judging a prospect to be good or bad. I helped recruit a "town drunk" in the middle of an extension. The following year he was Chapter President, extended 15 chapters (mostly single handed) and recruited 348 members (but missed his personal goal of one per day). Thus the Jaycees converted him into a community leader and productive member of society. Jaycees meant so much to him for how they changed his life. Thus, was he a "bad" recruit or did the Jaycee Organization do its job?
- **Mate Jeff McMurdy** who is a past NVP, PP SC, and PP of the Myrtle Beach Jaycees now lives in Los Angeles, CA with his wife Sue who is also a past LP (both are Charles Kulp Award winners) and they offer their help in leading an LP School in Southern California. Thus, Mate Bill Harrison inspired me as I led the Rocky Mount Most Outstanding Chapter in the US during my term as President of the NC Jaycees.
- **Mate Noel Bailey** of Columbia, SC works for PGBA which is a top business process outsourcing company (BPO) in high-volume claims processing. - **Mate Benny Ellerbe** and various other PPs/EVPs/NVPs and others met in St Louis, MO to come up with ways to help the US Jaycees. Ironically, at this conference in Australia, the Coconut Grove Jaycees were recognized as the Best Chapter in the World, Best President in the World and Largest Chapter in the World (over 1,000 members), which is my home chapter, and I helped write the entries. Today the Coconut Grove Jaycees, my current home chapter, are under 50 members.

They hope to have another reunion in about two years and plan to try to get the group to support the Jaycee Cottage of Boys and Girls Home and the NC Jaycee Burn Center in Chapel Hill, NC.

Fortunately, my oncologist saw and the radiologist had told her that the area of metastatic activity could be scar tissue or new growth. And my surgeon examined me and did not find anything suspicious...just felt scar tissue. Please keep her and Buz in your prayers.

## DON'T LET THE SS FELLOWSHIP SINK

All the Mates of the CREW of the SS Fellowship got their start thru the Jaycees to learn leadership and management skills. I have heard many tell stories at CREW meetings over the years on how their time in the Jaycees was the best time of their lives and gave them the skills to become successful in life. Now the CREW of the SS Fellowship needs you to consider us as a part of your Estate Planning to help keep the SS Fellowship afloat so that we can continue our Friendships thru the LOG and fellowship at Annual Reunions. Just don't forget your roots, leave a little to help the CREW's Treasury to keep the SS Fellowship on a smooth and steady course. *For more information, contact the Keeper of the LOG.*

Our Welcome Aboard Reception was held in our hospitality room with 20 Mates attending. Breakfast was held in the Veranda New Orleans Resturant of the Intercontinental, honoring the early CREW members present. Mate Kim Newlin, the Keeper of the LOG, opened the Honors Breakfast and turned over the meeting to Chairman Mate Travis Boatright. Upon completion, we adjourned to the Fulton Room for the Morning Program. Mate Travis Boatright led the session, which mainly focused on Looking Towards the Future including the Jaycees. Other members present who spoke were Mates Moton Crockett, David Atkin, John Spole, Don E. Jones and Steve Sutherland. We then adjourned for the Past Presidents Luncheon where Mate Jeff Lank and Mate Don E. Jones talked about the Present and Past. After this we adjourned for the afternoon program in the Fulton room. Panel members Mates Joe Souza, Doug Meyers, Hardy Smith, and Moton Crockett led the discussions. We adjourned to change for Cocktails in the Hospitality room and on to the US Jaycees TOYA in the Le Salon Ballroom. The ceremony was excellent as always and back to the hospitality room for a nightcap and friendship with those who skipped TOYA. The CREW Fellowship Prayer Breakfast was held in the Veranda with the Keeper of the LOG, Mate Kim Newlin presiding on the topic from our Jaycee Creed, "Faith in God gives meaning and purpose to human life."
