Log of the S. S. Fellowship

February 15, 1972

Our reunion isn't too far off and Jack Morton, aided by Doug Hoge, has worked hard to make it a gala affair. He has sent me the two attached data of the events and the form for registering with Reed Larson. He also sent me the forms to be filled out for registration at the Statler. After you have read over the data, be sure to make the reservations now. Both Reed and the Hotel would like to prepare for your comfort. We owe Jack and Doug a vote of thanks for all they have done. Jack says, "National Jaycee President and World President of JC International have accepted Doug Hoge's invitation to speak and he is working on other prominent speakers, whom I'll mention later - and I hope we'll have the largest attendance ever. So be sure to send in your registration - NOW.

I'm sure Bill Suttle will be there, as he wrote, "Hope to see you in the Spring". His new address is 10368 Cullen Terrace, Columbia, Maryland 21043.

Harry Krusz, who is now in Washington for an assignment, assures me he'll be there. Ed Dosek, who formerly lived in Lincoln, Nebraska, should be there, as he now lives at 1566 Farlow Avenue, Silver Springs, Maryland.

Bob Lindholm, one of our newest mates, wrote what an honor it is to be admitted to the Crew and said, "By coincidence JCI President Royce Pepin spoke at a meeting in Falls Church the night I received the "Log". He mentioned at the time that he planned to be back in Washington for the Reunion". Hope to see you both there, Bob.

Will Alton wrote he attended the annual meeting of the Better Business Bureau at Spokane, where Bruce Palmer made an excellent talk. He wrote, "Bruce had a very severe cold but did his usual outstanding job in spite of it".

LeRoy Ober wrote that Bruce Palmer got to Norfolk and spoke to the Sales and Marketing Executives on January 12th and said Bruce was his usual captivating self with the usual display of his outstanding forensic ability. LeRoy also wrote, "Last Sunday John White celebrated his 45th wedding anniversary by having an "at home", at which I saw the peripatetic Ramsay Cruett". Congratulations, John, on this anniversary; may you have many more.

Jack Reich wrote, "I'm still thinking of the past Jaycee weekend. TOYM had their meeting here. It was the first one I have attended and was a great experience. One of the real highlights was to have Henry Kearns speak at the prayer breakfast. Every Jaycee of our day would have been proud to hear Henry. The young men who heard him were most enthusiastic". Jack said Chuck Shearer accompanied Henry, so they had quite a reunion.

I was thrilled by the receipt of the biography of our mate General George Olmsted, written by Howard L. Dutkin and entitled, "Soldier, Patriot, Financier". I read it from cover to cover and found it fascinating. Adding to the thrill was that the copy of the book was autographed by George, who paid me such a high compliment writing, "To John Armbruster. You are the greatest. Without you the Jaycees movement would never have been what it is. Warmest regards. George". I shall treasure the book and those kind words.

Bill Press, on his retirement, received many letters of his accomplishments from President Nixon, Mayor of Washington, many Senators, Congressmen and high officials. The Cosmopolitan Club honored him with it's annual distinguished service medal and the City Council of Washington presented him a special commendation. He has established an office at 1629 K Street, N.W., Washington, DC 20006 and is being kept busy with a number of projects. I hope he'll tell us about them at our reunion.

Last year Mark Egan arrived in Ankara, Turkey, to become the full time adviser (under a US grant) on tourism, and in recognition of his work he was winner of the 1971 John Drury Sheahan Award by the National Council on Physical Distribution Management. Congratulations, Mark.

Ernie Baetz wrote, "Our old Jaycee Vice-President from Orlando, Florida - A. P. Phillips - visited me to-day and we had a long chat about our old friends. AP was attending the National Executive Committee of the Military Order of World Wars Conference". Glad you two got together.

Dick Matheson writes, "As I have left United Air Lines after 31 years to form my own travel agency, I would appreciate your changing my address to R. G. Matheson, President Carefree Travel, Inc., Route 8 Box 8262, Bainbridge Island, Washington 98110 and in my new venture look forward to meeting many of our mates around the world". We wish you unbounded success Dick.

Allen Seed wrote he retired from Keep America Beautiful, Inc., but will carry out some missions from time to time as a "special consultant". Allen asks we send the "Log" to his home - 200 East 66th Street, New York, New York 10021.

Fred Gillen wrote that while in California he had a nice visit with Paul Paulsen and later saw Julius Jensen and learned about the interesting work he is doing with his Economic Development Corporation.

Emerson Thomas was kind to write, "When I read the "Log" I often think of the dedication you have in doing this and keeping so many men in touch with each other who have been active as officers or directors of the USJCC and then I also think of the postage cost that you assume in doing this. As a result I'm enclosing a check to help defray some of such costs". Actually, fellows, this is a hobby of mine and no one counts the cost of his hobby.

John K. Jones asks us to take on board David M. Atkin, 226 East Fifth Street, Lancaster, Ohio 43130, who had a long Jaycee career and is currently serving the Ohio JCI Senate as Legal Counsel. He is plant manager of Anchor-Hocking Glass Company at Lancaster. We're taking him aboard - and as further recognition to John and Dave we're using the Ohio JCI Senate letter-heads.

Frank Nye writes that Bob Jones address is 700 - 4th Street, N., Apt. 404, St. Petersburg, Florida 33710. Thanks, Frank. Bob Dunbar gives Lewis Timberlake's address as P. O. Box 1571, Austin, Texas 78767. Alan Tully gives us his new address - 6338 Huntington, Lincoln, Nebraska 68507. Glad to get this information, as I like to keep the addresses up to date.

These are days fraught with problems but we can meet them with confidence if we follow the philosophy of Robert Louis Stevenson, who wrote this prayer:

"The day returns and brings us the petty round of irritating concerns and duties. Help us to play the man, help us to perform them with laughter and kind faces, let cheerfulness abound with industry. Give us to go blithely on our business all this day, bring us to our resting beds weary and content and undishonored, and grant us in the end the gift of sleep.

Cordially, *John H. Ambruster*
