Log of the S. S. Fellowship

March 15, 1973

Fred Gillen sent me the newspaper clipping showing the picture of Julius Jensen, who has been appointed Exec. Director Economic Development Corp., Security Pacific Plaza Suite 416, 1200 Third Avenue, San Diego, California 92101 and Fred says he's doing a fine job. Fred also said he was pleased to renew the acquaintance with Rufe Putnam whom he met at a Crew meeting a few years ago, and writes, "Rufe and Paul Paulsen and I had lunch together recently." I'm glad you mates had such a nice reunion.

Allen Seed took time out while at the airport to telephone me. He had just been one of the three judges of the Garden Club's exhibits on environmental improvement, so he's still active in his chosen field.

Gordon Hicks said he received a telephone call from Mike Maloney and gave me Mike's address - Naughton Consultants, 67 Wall Street, New York, New York 10005. I was glad to get it to put Mike back on the mailing list.

Tom Donnelly wrote that he and Mitch Kozikowski have teamed up as principals in MJH Public Affairs Group, 1629 "K" Street, N. W., Suite 800, Washington, D. C. 20006. He writes that Dave Henderson, former Program Officer of the U. S. Jaycees has become an associate of International Management and Development Institute, Watergate Office Building, Suite 905, 2000 Virginia Avenue, Washington, D. C. 20037 and Tom Cantrell, former Public Relations Director of USJC is now Press Secretary to Senator Dewey Bartlett of Oklahoma, his address is 4215 New Senate Office Building, Washington, D. C. 20510 and said both would make fine additions to the Crew, so we're taking them aboard, and hope to see them at the Reunion.

Bob Dunbar gives us his new address - 4424 Gilford Drive, Edina, Minnesota 55435 and says his family is adjusting to the Minnesota winters. John Rayment's new address is 2103 East 47th Street, Tulsa, Oklahoma 74105, and George Pagonis gives me Robert Cox address as 232 Doner Road, Manhasset, Long Island, New York 11030, so we can put him back on the list. George Pagonis also asks us to take on board Jerome U. Burke, who is Vice-President of Halsey, Stuart & Co., 30 Broad Street, New York, New York 10014 and also gives Clarence Blasier's address as Werstler Drive, S. W., Navarre, Ohio 44662.

Ed. Parker wrote that he and Steve Knight will fly to the Reunion and said while in Dallas he talked with Hal Salfen and he, too, plans to be at the Reunion. They both recommend we take in- to the Crew Billy Bob Crim, 110 Horseshoe Drive, Kilgore, Texas 75662, who as a Texas Jaycee was active with Jim Cashman and Mike Milder, so we're taking him aboard.

Speaking of the Reunion, see the attached flyer prepared by the HSIC at Tulsa to show their keen interest in the "Crew." Thanks, fellows. I hope a lot of you will be at the Reunion to chat with us old-timers.

ENTERPRISE: THE STRENGTH OF AMERICA

Sixty-first annual meeting

APRIL 29 • 30 • MAY 1, 1973 / WASHINGTON, D.C.

March 15, 1973

Bill Faherty (Wm. F. Faherty, Jr.) has been promoted to Vice-President of the First National State Bank of New Jersey - 550 Broad Street, Newark, New Jersey 07102, and we congratulate him on this honor. Bill plans to be at the Reunion, so we can congratulate him there, in person.

Peter Cipolla has legally changed his name to Peter A. Noble and his address is Banco Popular Center, P. H., Hato Rey, Puerto Rico 00918, so change your listing accordingly.

Corcoran Thom has retired as Senior Vice President of Riggs National Bank and we will send the "Log" to his home, 4456 Springdale Street, N. W., Washington, D. C. 20016.

Speaking of Washington, the law firm of Counihan, Casey and Loomis announced that Pat Gorman has become counsel to the firm that has offices at 1000 Connecticut Avenue, Washington, D.C. 20036.

Our mate E. R. Short asks us to change his address from Sydney, Australia, to c/o Bank of Nassau, Ltd., P. O. Box 4901, Nassau, Bahamas. We wish you great success in your new location.

Baxter Maddox corrected address is 1422 First National Bank Tower, Atlanta, Georgia 30303. A. P. Phillips sent me a copy of a letter Baxter wrote him of how much he enjoyed reading the "Log" and noting it was AP's letterhead, said it brought back many fond memories and he asks AP to visit him whenever he gets to Atlanta.

The letterheads this time - and as has been Frank Mueller's annual contribution - he wanted to keep up the tradition and sent them to me to emphasize the Reunion of the Crew as well as the annual meeting of the Chamber of Commerce of the United States which follows our Reunion dates.

Our mate N. A. Thompson's address is Skyline Terrace Nursing Home, 6202 East 61st Street, Tulsa, Oklahoma 74135. We remember his work in organizing the Tulsa JCC back in the old days and helping Fred Johnson when the USJC came into being and has much satisfaction to see how both have made a great record.

Chuck Zentgraf wrote, "Hester and I have moved into our new home in Lake Forest now that the boys have "left the nest", our new address is 301 East Glenwood Road, Lake Forest, Illinois 60045. He is a grandfather now with a granddaughter - the first girl in the family in several generations. Congratulations.

"Chuck" waxed eloquently about how much he appreciates the "Log" and ending his letter is a good ending here, for he said, "Your newsy letters always remind me that:

'Life is sweeter, stronger, fuller, a more gracious thing for a friend's existence, whether he be near or far. If the friend is close at hand, that is best, but if he is far away he is still there to think of, to wonder about, to hear from, to write to, to share life and experience with, to serve, to honor and to admire.'" Thanks, Chuck.

Cordially,

John H. Armbruster
Keeper of the Log
