Log of the S. S. Fellowship

September 15, 1976

Our Canadian mates Harry Smith at Toronto and Roger Flumerfelt at Montreal were so glad to have a visit from Sonny Sales, of Hong Kong, who was JCI World President in 1956. Such are the enduring friendships that come from Jaycee membership - to meet each other after 20 years elapsing since last they met.

Dick Thomas also wrote, "Recently my wife and I spent several wonderful days with C. "Biddo" Josner and his wife at their home in Billings, Montana. "Biddo" and I served as U S Jaycee officers in 1962-63 and hadn't seen each other since our days on the executive committee. Visits like this are always such fun." You can say that again, Dick.

Fritz Noble was so pleased that he sent his letterheads because he heard from Fran Minard, Frank Mueller, Carl Hudson and others he hadn't heard from in years.

Speaking of letterheads, I'm using this month those sent in by ~~our~~ mate R. B. McIlwain of Pascagoula, Mississippi.

Eric Banks, whose address is 1570 South San Luis, Green Valley, Arizona 85614, said he and Frances just observed their 39th wedding anniversary and tells me that Sherm Humason was the one who introduced them to each other back in St. Louis in 1936 when Sherm was National Secretary of the USJC. Isn't that interesting?

Mentioning the passing of Bob Jones in last "Log", Dick Fitzgerald, who is Director of Dept. of Beaches at Los Angeles, wrote his widow, Jean, expressing his sadness and said he and Bob were in the 1956-57 administration and he knew and respected him for many years.

Elmer Marshrey, who was with us in Philadelphia, certainly has carried away the inspiration he received from this cradle of history and has been making a speech, "The Heritage of America" to groups in his area. He sent me a copy of it and I want to compliment him on the contents of it; it surely should inspire the listeners.

Speaking of inspiration, Clay Roberts of Tulsa sent me an inspiring two-page article that was reprinted from the article that appeared in an issue of Mid-America Insurance Magazine. It was excellently written, Clay, and I enjoyed it. Incidentally, Clay asks us to change his address to 3931 East 60th Place, Tulsa, Oklahoma 74135 as of September 1st.

Speaking of changes of address, Andre LeTendre has opened his own business, Andre LeTendre & Associates, so change his address to 2307 Riviera Drive, Vienna, Virginia 22180.

I asked the mates to give me addresses of the missing mates, Bill Nelson writes, "Bob McCollum is continuing with his educational efforts and is presently the public relations director for Lutheran Hospital, Denver and his home address is 3477 South Race, Englewood, Colorado 80110. Thanks, Bill, for sending it.

Speaking of Denver, Harry Litzenberger's address is 3224 South Heather Garden Way, Denver, Colorado 80232 and speaking of changes of address, Thomas W. Edwards, Jr. accepted the position of City Manager of the City of Newberry, South Carolina. Change his address to P. O. Drawer 538, Newberry, South Carolina 29108 and Bob Ladd's new address is 15300 Sugarland Road, Poolesville, Maryland 20837. He is now with Haverhill International, which company functions as project organizers and operators.

We now have Jim Cashman's corrected address - James Cashman, Jr., P. O. Box 2080, Las Vegas, Nevada 89101; due to Reed Larsen's notation, and Paul Pendorf has returned to Virginia after the years in Europe and is General Manager of the International Division of Virginia Chemicals, Inc. His home address is 249 Riverside Drive, Portsmouth, Virginia 23707. Pat Sheridan's new address is Sun Life Insurance Company of America, Sun Life Building, Charles Center, Baltimore, Maryland 21201.

Linwood Law sent me the clipping from the Buffalo Evening News telling that Dick Harvey, who is known as Mr. Porter Cup for his efforts in building the Porter Cup Gold Tournaments at the Niagara Falls Country Club from a local event into one of the nation's premier amateur golf tournament, is stepping down as the Chairman of this event and that Dick still lives in Lewiston, New York 14092. Lin was honored recently with a life membership in the Buffalo Society of Artists, so we congratulate him on receiving this honor.

Nelson Clark asks us to change his address to 915 North Street, Martinsburg, West Virginia 25401 and Chet Gordon asks us to change his address to 1521 McHugh Lane, Anchorage, Alaska 99501. Larry Buckmaster's Chicago, Illinois Restaurant Association has moved to 20 North Wacker Drive, Suite 1130, Chicago, Illinois 60606. Hal Salfen has left the Alaska Airlines and we are to use his home address - 3841 Whitehall, Dallas, Texas 75229. Irv Platt's address is 151A South Trail, Stratford, Connecticut 06497 and Glen Mumford's address is 5840 East 22nd Place, Tulsa, Oklahoma 74114.

Dick Hahn asks us to take into the "Crew", James P. McCauley, Vice-President, Administration, Holiday Inns, Inc., 3742 Lamar Avenue, Memphis, Tennessee 38118. Jim was an outstanding member of the Columbus, Indiana Jaycees prior to moving to Tulsa, where he served on the USJC Staff for 5 years, so we're glad to have him in the "Crew".

Rhea Augustine sent her new address - 2376 Madison Road, Cincinnati, Ohio 45208 and it was good to hear from her that the National Printing Equipment Association has given a Perpetual Scholarship in Lee's memory to the Rochester Institute of Technology and Rhea was invited to make the presentation.

When I think of the accomplishments of the members of the Crew, I realize how true are the words of Orison S. Marden, who wrote,

"The forceful, vigorous, effective men are those who execute their ideas while they are full of the enthusiasm of inspiration."

Cordially,

John H. Armbruster
