Log of the S. S. Fellowship

October 15, 1976

The letterheads this time are by Don Porter, our mate at Dayton, Ohio. Thanks Don for sending them.

I was so glad to see in the "Smithsonian" magazine, the picture of our mate Chief Justice Warren Burger with Queen Elizabeth and Vice-President Rockefeller viewing the model of "The Federal City" and I wrote Warren what a fine picture it was. I hope you saw it, too.

In reading "Nation's Business" magazine for October I noted on page 74 the picture of our mate Dwight Havens. The article told of the "Detroit Renaissance" and it was good reading.

Allen Whitfield addressed the Iowa City Chamber of Commerce recently and I was glad to get excerpts from the talk, which stressed the free enterprise system which built up America but seems to be the target of a segment of the population today. We need more talks on the free enterprise system which is mentioned so prominently in the Jaycee Creed.

Frank Mueller sent the long article about Jack Morton that was in the Washington Star and it was good reading, and incidently, there was an article about Frank himself in the Omaha World-Herald including the years he was baseball coach and basketball and football assistant at Lincoln High School in his home town of Hampton, Nebraska where he was known as "Red" Mueller. It was good reading, too, Frank. ✓

Morgan Doughton sent me the clipping reporting the death of Harry Seamans, who for years was organization liaison officer for the Department of State, which brought him to every Jaycee Convention and was made an honorary member when Morgan was President. Sorry to lose this friend.

Doughton asks us to take on board Marsh Miller, ✓ son of departed Paul Miller.. Marsh always accompanied Paul to our Crew meetings and we're glad to have him take his father's place in the Crew. Morgan tells me he has a new book "People Power, which has been favorably reviewed by the Wall Street Journal among others. Media America, 12 East Market Street, Bethlehem, Pennsylvania 18018 is the publisher. I hope it will be a "best seller" Morgan.

Bill Collins sent me a copy of the Minneapolis "Tribune" with a whole page devoted to the retirement of Allan Heuerman after 42 years with the Tribune. His Jaycee career was remarkable and his years after were full of civic accomplishments, so he was honored with a fine gathering at the Sheraton-Ritz Hotel in Minneapolis.

Roz Rosengren sent me the sad news that Billings McArthur passed away October 1st and I was pleased that he represented the Crew at the services in Winter Park, Florida with burial in Chicago. I wrote Jane expressing the condolences of the Crew and perhaps some of you will want to write her, too. The address is 40 Lake Drive, Killarney Point, Winter Park, Florida 32789. ✓

Our mate Russ Stocksdale and his wife were delegates to the World Methodist Conference in Dublin, Ireland and also to the World Conference of the English Speaking Union in Cambridge, England and among his extra-curricular activities he walked nine holes with Billy Casper in the Irish Open - so he had quite a visit.

Out-going National Commander of the American Legion, our mate Harry Wiles, was honored with the presentation of the Boy Scouts of America "Distinguished Eagle Scout Award". Harry was an Eagle Scout in 1932 with Troop 128, Macksville, Kansas and he joins President Ford, General Westmoreland and Astronaut Neil Armstrong in receiving this high Scout honor. Congratulations, Harry.

Roland Schroeder sent me a clipping from the Milwaukee "Sentinel" of September 14th telling about Karl O. Werwath being named "Educator of the Year" by the Wisconsin Society of Professional Engineers. Congratulations, Karl. Incidentally, Karl followed Roland a few years later as President of the Milwaukee JCC.

Two overseas alumni of Jaycees - Maurice Sexton, JCI President in 1959, whose address is P.O. Box 501, Palmerston North, New Zealand and Malcolm Wilcox, 1960 National President of British JCC, whose address is Woodland Chase, Blackhall Lane, Sevenoaks, Kent, England, (he's with Midland Bank Ltd. in London) would like to be overseas mates of our Crew and because of their distinguished careers in Jaycee we're taking them aboard and I hope both of them can come to our next reunion so we can welcome them in person.

George Sullivan, our mate who is Mayor of Anchorage, invites Jaycees International to hold it's 1977 meeting there where he says, "The environment is unspoiled, uncluttered and unexcelled" and that Anchorage has nearly doubled in size in the last ten years and nearly all their facilities are brand new and very up-to-date. I'm sending his great "sales-letter" to JCI for their consideration, George.

Our mate, Judge Sam Street Hughes, who was the first President of the Lansing, Michigan Jaycees, attended his first JC Convention in Brooklyn in 1930 and elected National Vice-President in 1932 at Pasadena, Municipal Judge and later Mayor of Lansing, then Circuit Judge, has retired and has moved to Rogersville, Tennessee, his address is Chas-Den Town Houses, Apt. D.1, Hy. YY, Rogersville, Tennessee 37857. We wish you many happy years of retirement, Judge.

George Baird sent a gracious letter complimenting me for the editing of the "Log" for these 45 years and asks us to take on board Hubert L. Moore, Box 4311, Shreveport, Louisiana 71104. He said Hubert, with a small number of young men, including George, organized the Rossier JCC 32 years ago, so he is a real "old-timer" and we're glad to take him aboard our mythical ship. Thanks, George, for your nice letter.

Pat Murphy has a new address, P. O. Box 332, Tuxedo Park, New York 10987. Louis Raskin has moved to 9633 East 26th Street, Tulsa, Oklahoma 74129. Lou said the sad point about leaving Washington is that he will miss the weekly fellowship gatherings at Phil Knox's office. James Maxwell asks us to change his address to 4805 South Knoxville, Tulsa, Oklahoma 74135. Our mate Marmaduke Corbin, Jr. has moved from Mexico City to 2027 Oak Vista, San Antonio, Texas 78232.

Cliff Myatt asks us to take on board Conrad O'Brien who was JCI President in 1964, his address c/o Charles McEneaney & Co. Ltd., Port of Spain, Trinidad, W. I., so we're taking him aboard. Likewise Stan Owens asks us to take on board Paul L. Andrews, R 7 Box 22, Fort Payne, Alabama 35967, so we're taking him aboard. Bill Healy, who was National Vice-President 1965-66 asks us to take on board Wm. L. Whisman, 943 Norway Avenue, Huntington, West Virginia 25705, who was a National Vice-President and also Robert Woodring, Bellefonte, Pennsylvania 16823, who was a National Vice-President, so we're taking them on board.

I need the help of the Mates to send me the new addresses of the following mates whose mail has been returned "undeliverable": Al Boutwell, Eric Cahn, W. Allen Beam, Neal Swaringen, Austin Salisbury, Mark Egan, Frank Stanley, III, Bob Condon and Emil Wyatt. I'll appreciate getting their new addresses and be sure they get the "Log".

One of the reasons why the Jaycee movement has grown through out the world is that the Jaycees practice what they preach. It reminds me of the words of Frank Pyles who wrote:

"It is not what we eat that makes us strong, but what we digest;  
not what we earn but what we save that makes us rich; not what we  
read but what we remember that makes us learned, not what we profess  
but what we practice that determines our consequence among men."

Cordially,

John H. Armbruster-Keeper of the Log
