Log of the S. S. Fellowship

January 15, 1977

It was such a delight at Christmas time to get the hundreds of cards from the Crew and from other Jaycees and JCI Senators 'round the world - it was proof that as our Creed says, "The brotherhood of man transcends the sovereignty of nations" and that the Jaycee movement does more for world-wide fellowship and understanding than we realize.

From all the cards and letters I learned:

That Lawrence Coco's new address is 510 Hillcrest Drive, Alexandria, Louisiana 71301;

- that Babe Brioschi's address is 1159 Edmund Avenue, St. Paul, Minnesota 55104, so he's back on the mailing list;

- that Walt Wiesman was honored by the Huntsville Chamber of Commerce as the 1976 Distinguished Citizen, and that he spent a day with Jim Skidmore at the top management conference of Science Management Corporation;

- that Park Shaw has a new home a mile from where I visited him last year, and that Peter Watts visited him on the way back from the World Congress. He hadn't seen Peter since the Tokyo Congress 19 years ago;

- that Walt Clinton has a new address - 2202 South Boston (Woodward Terrace) Apt. 132, Tulsa, Oklahoma 74114;

- that Bill Press has moved the Supreme Court Historical Society and now prefers mail to be sent to his home address - 1646 Thirty-second Street, N. W., Washington, D. C. 20007;

✓ that Harold Lee, long time Canadian Jaycee has moved to 15228 Boswell Boulevard, Sun City, Arizona 85351 and because of his long Jaycee Career in Canada, I'm adding him to the "Crew";

- that Royce Powell, visiting Salt Lake City, called three of the mates but was only able to chat with the wife of Hughes Brockbank. Royce wrote, "The old-timers in Florida were saddened by Bob Bishop's passing - and so are we and please convey our condolences to his widow;

- that Charlie Kothe is now Dean of the O. W. Coburn School of Law at Oral Roberts University in Tulsa. He's well qualified for this honor;

- that mail to Frank Solfi (Connecticut) and Bob Dunbar (Minnesota) came back saying, "No forwarding order on file". Some of you may know their new addresses and likewise the ones I mentioned in the December Log. Let's get them back on the mailing list;

- that Jim Wesberry's recent listing in "Who's Who in the World" is placed just below the listing of his father, James Pickett Wesberry, making it probably one of the very few father and son both listed in this famous publication. Congratulations, Jim.

Incidentally, I'm sending out this "Log" on paper of Jim Wesberry's company at Quito, Ecuador - so we have another mate in a foreign country, so our circulation of the "Log" is becoming more and more international.

Among other news, we will have a member of the Crew in Carter's administration - our mate Governor Cecil D. Andrus of Idaho, who will be the new Secretary of the Interior. Congratulations, Governor, on being tapped for this important assignment.

Wilbur Nolen just returned recently from a trip to Russia and in his letter to me he writes, "It was my first visit behind the "iron curtain" and an unforgettable experience. We left the USSR convinced that they have just about everything the heart could desire except that which is most precious and important to Americans - Freedom" and he ends up saying, "Here in our own beloved land we do not readily recognize communism for what it really is - Slavery. May God ever deliver the USA from such a cruel, ruthless and hopeless fate".

Charles Cannady asks us to take on board Lloyd E. Peyton, 407 Hegley Building, Cedar Rapids, Iowa 42401. Lloyd was National Speak-up Jaycee Chairman under LaMar Buckner. Hugh McKenna asks us to take on board Don Schmick, Schmick Insurance, Inc., N. 200 Main Street, Colfax, Washington 99111. Don was Washington State President and is known in the Pacific Northwest for his work in Jaycees.

Wilson Chandler writes that after 35 years in the insurance business he has retired and asks us to send his mail to his home address - 455 Hyde, Pocatella, Idaho 83201.

Jim Jones has taken a new position as Public Affairs Director for the California Association of Health Facilities and his address now is 1390 Response Road, Apt. 427, Sacramento, California 95815.

Floyd Stewart and his wife, Dee, observed their 38th wedding anniversary on December 29th; we hope they have many more anniversaries in the years ahead. Congratulations.

Fred Gillen sent me the newspaper clipping that told about Project Concern observing it's 15th anniversary. Bob Cronk is Executive Director of this fine organization and we send him congratulations, too.

The Jaycee idea of serving our communities came into being to prepare young men for this service. Our educational effort should be directed to the same purpose and I was intrigued by the words of Virginia C. Gilderseleeve who wrote,

"The ability to think straight, some knowledge of the past, some vision of the future, some skill to do useful service, some urge to fit that service into the well-being of the community - these are the most vital things education must try to produce".

Happy New Year.

Cordially,
