Joseph S. Dolan
Acting Director

It was my great pleasure on September 16th to go to Montreal Canada, to help the Canadian JCI Senators honor Phil Pugsley as the founder of the JCI Senate program and JCI Senators were there from France, England, Sweden, Finland, Mexico, Argentina, Bermuda, Belgium, many from the USA, including our mate Frank Solfi (who incidently made a nice talk), and of course a lot of JCI Senators from throughout Canada.

Roger Flumerfelt, Duke Marnoch, Harry F. Smith, Ross Smyth, and Ed. Travalo who are Canadian members of the Crew were very active in the arrangements and it was a great success. Roger, especially, was a wonderful host, meeting us at the airport when arriving, giving us a tour of Montreal at the end of the conference and taking us to the airport in departing. Ross Smyth was an excellent MC, and it was my privilege to tell of my fond memories of Phil Pugsley and his great contribution to the Jaycee movement not only in Canada but throughout the world. It was a grand affair and it was so good to see Marion Pugsley looking so hale and hearty. I enjoyed every minute of the 3 days in Montreal. And with these JCI Senators from around the world it emphasized that part of our Creed - "The brotherhood of man transcends the sovereignty of nations".

I'm using the letterheads this time of the Foundation so that you know who the Trustees are that have the responsibility of making the Archives a reality. We all want to thank all of you who have made the tax-exempt contribution thus far and to hope that those who haven't will see their way to do so, also.

Joe Dolan sent me the enclosed folder and asked to be sent along with this issue - so here it is.

And Steve Allen asked me to include in this mailing his letter - so that is enclosed, too.

There is so much news and not enough space to tell it all, but here's as much as space permits:

Charles Davis just finished his tenure as Chairman of the Trial Techniques Committee of the American Bar Association and also just moved into their new offices at 3715 S.W. 29th Street Topeka, Kansas, 66604 so change his address on your list.

Daly Reid wrote "Thank you for your kind letter. You know how much the Crew meant to Tom and how many wonderful friends we made through this association. True friends are one of the most important parts of our lives. Yes, I shall very much appreciate always receiving the "Log".

Ed. Logelin has returned to Kent State University as the interim dean of the college... Morgan Doughton wrote that beginning Oct. 1st he will be based at his residence and business 2216 Liberty St. Allentown, Pa. 18104. Marshall Cobleigh is now Administrative Assistant to Governor Meldrin Thomson, Jr., Governor of New Hampshire, his address 180 West Clark St. Apt. 12, Manchester, N. H. 03104. Walt Kilian in giving me this information said "Marshall is really putting his Jaycee training to use".

Pete Mahony said Fred Biebel is now Chairman of the Connecticut Republicans and has been doing an outstanding job rebuilding the party - his address is Connecticut Republicans 1 High St. Hartford, Conn. 06103. And Gwynn Edmonds said that William V. Langfitt's new address is 1665 Glenway Lane, Huntington, W.V. 25701 so we put both these mates back on the mailing list.

Doug Hoge wrote that Cliff Myatt and his wife were in Cincinnati for a Convention and they had a nice visit and that Cliff planned on attending the JCI Congress at Johannesburg. And Tom Donnelly sent me the new address of Wm. H. Loy as 200 West Burke St. Martinsburg, West Va. 25401 and Jim Freestone wrote that Hughes Brockbank's address is 777 East South Temple, Salt Lake City, Utah 84111 so they'll be back on the mailing list.

Ellsworth Green writes he has retired for the last time and wants his mail sent to 2811 N. 45th Terrace, Kansas City, Mo. 66104 and Phil Hattery recommends we take into the Crew E. J. Bramble, Exec. VP Household Finance Corp. 4800 Main St. Bd. of Trade Bldg. Kansas City, Mo. 64112.

George Pagonis asks us to take on board Leonard Vignola, Jr., Beacon Partners, 4 Warren St. Stamford, Conn. 06902, and Joseph Siccanti 294 Flora Way, Golden Colo. 80401, both of whom have been avid Jaycees. Incidentally George wrote "Give our fellowship group a plug; we meet every Wednesday 8 AM at 1211 Connecticut Ave. Suite 802, Washington DC and always nice to meet a member of the Crew". There you have it, George.

We've lost another mate - Everett L. Grubb, His widow in writing about his passing wrote "Everett enjoyed the Log of the S.S. Fellowship - you have been a faithful "Keeper of the Log" for quite some time". We regret losing him.

Lyle O'Rourke in expressing sorrow at the passing of Minor Hudson wrote "In the late 30's when I was President of the Washington JCC no person gave me as much help and assistance as did Minor. He actually went out of his way many times to assist me in many problems that arose".

Speaking of Washington I saw the Associated Press article that had headlined "Burger treated to Brezhnev monologue" and reporting on our mate Chief Justice Burger's visit with Brezhnev at the Kremlin. Maybe Justice Burger could tell of his visit at next Crew Reunion.

The mates of the Crew are men of influence and this influence reminds me of the inscription of the Library of Congress:

"As one lamp lights another, nor grows less
So nobleness enkindleth nobleness".

Cordially

SEA

Crew Member - your attention is needed now!

Four hundred twelve cards have been received out of twelve hundred plus. If you have not returned your card please do it now. If it is lost use the form below.

Some entered the number of years active in Jaycees as (example) 12. The info wanted is (example) 1950-1962. Some members did not give the state they were Jaycees in when they now live some place else.

The roster this year will be loose leaf style which will be easy to add new members. Change of address will be sent out every so often on a label which can be placed over the old address. This will cost more now, but in the long run it will be less expensive than putting out a new roster every four years.

The form below is to be used NOW, if you have not sent your card in OR if you gave us the wrong number on what years you were active in Jaycees OR if you want to give the name of local or state you were active in and now live some place else.

Many thanks if you sent a check with your card. If you didn't will you help with the expenses of the roster by sharing the expenses with all Crew Members.

I wish you smooth sailing on S. S. Fellowship of Life. It's been great hearing from so many of you. It is no wonder John has enjoyed putting out the Log so much these many years and hearing from his friends all over the world.

Sincerely,

S. E. "Steve" Allen
