Log of the S. S. Fellowship

Secy. Gen. Bouchard of JCI wrote that 1950-51 JCI President Ramon V. Del Rosario of the Philippines has been named Philippine Ambassador to the United States and fully accredited to the United Nations as well, and we're taking him aboard our mythical ship and I hope you Washington mates can get to know him well.

Bob Graham wrote "I recently was at the Western Governors Conference in Anchorage and learned from Utah's Governor Scott Matheson that Hughes Brockbank's wife, Fawn, passed away about two months ago; I'm writing to Hughes and know that he will appreciate a thought from his many friends across the country".

George Pagonis thoughtfully sent me a fine newspaper article about Fred Schwengel that appeared in the New York "Times" Oct. 6th telling about his pet project - the United States Capitol Historical Society. He would be an excellent choice to tell us about this at one of our reunions.

Bob Ewing sent me the letterheads for this issue, some months ago and I was reminded of this when he also sent a check for the Archives which I forwarded to Headquarters at Tulsa, so I'm using his letterheads this time. And speaking of checks for the Archives Lyle O'Rourke also sent his check to me and I forwarded it to Tulsa, too.

Eric Schmidt asks us to take on board Kenneth Osterberger, 8874 Trinity Ave. Baton Rouge, LA 70806. Ken was a National VP in 1963-64 and is serving his second terms as State Senator in the Louisiana Legislature, so we're taking him aboard and hope he gets to the next reunion.

The Crofton (Maryland) "Courier" had a whole page devoted to our mate Ed Dosek whom they called "A Man Of Intensity". It was a great article, Ed, and I wish all of the mates could have a copy.

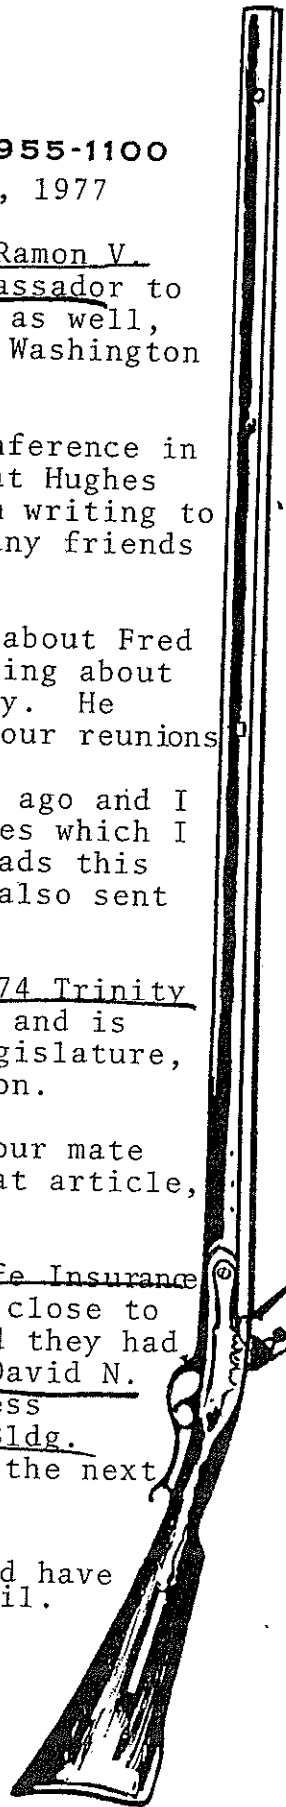

Hugh McKenna is now Executive Vice-President of California Life Insurance Co. 3255 Wilshire Blvd. Los Angeles, CA 90010 and as it is so close to Durward Howes jewelry store, Hugh stopped in the other day and they had a fine visit. Hugh also wrote to ask us to take in the Crew David N. Rock, a past Nat'l Director. His title and address are Business Management Chief, Division of State Parks, 1201 State Office Bldg. Capitol Square, Richmond Va. 23219 and Hugh says he'll attend the next reunion, so we're taking him aboard.

Phil Knox had a few minutes between changing planes to call and have a little chat; it was good to have the few minutes with you Phil.

Ken Shirk writes "After attending World Peace Through Law Conference in Manila where we saw Mel Mutuc, Romaine and I stopped in Hong Kong and were fortunate to have lunch one day with "Sonny" Sales and dinner another evening with Ira Kaye. Both asked to be remembered to their friends in the States". Ken asks that Sonny be added to the Crew so we're taking him aboard. His address A. de O. Sales & Co. Ltd. Prince's Building - G.P.O. Box 1094 Hong Kong where Sonny is serving as President of the Hong Kong City Council.

The Trustees of the Fund met at Tulsa and they report that thus far cash and pledges to the Archives Project stands at \$38,000.00 and with the assurance that the amount needed will be reached, they have gone ahead to start the project. A letter is attached and to those who haven't as yet made their pledge it is not too late to do so.

A man came in to open an account with us and said Cheney Prouty who knew him in Kansas, said Cheney told him if he was locating in St. Louis to be sure to see me - and he did. Thanks, Cheney, for the recommendation.

Jim Kendall is now Special Assistant to Senator John C. Stennis, so change his address to Room 205 Russell Senate Office Bldg. Washington, D.C. 20510. Bob Ewing said Ray Hudson, son of Minor Hudson would like to take his father's place so I'm adding him to the mailing list - his address Box 326A. R.D. 4, Bernardsville, N.Y. 07924.

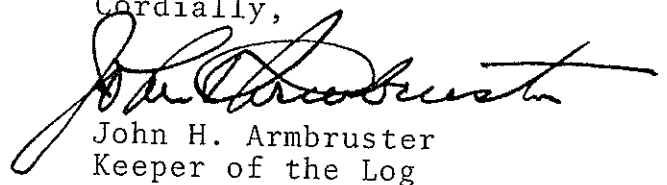

B. B. Kerr is recovering from heart surgery and his wife wrote how much he appreciates the Log and gave us their new address - The Valencia #308, 151 Calhoun Ave. Destin, Fla. 32541. We wish him a speedy recovery.

Vic Levit and one of his law partners have written the first book in the United States on legal malpractice (by West Publishing Co.). Evidently it is getting wide circulation and I'm sure Vic is justifiably proud of this contribution to this subject.

Mail to the following mates is returned; Gil Dittmer; Peter Noble, Dave Tiffany, Rob Roy MacLeod, Jack Morton, Reed Larson, Tom Donnelly, Carl Kegley, Gene Schwab. Can any of you give me their new addresses so they continue getting the "Log"?

In the "Crew" we have men of purpose - doers - who set an example for everyone to follow and heeding Phillips Brooks admonition "Sad will be the day for any man when he becomes contented with the thoughts he is thinking and the deeds he is doing - where there is not forever beating at the doors of his soul some great desire to do something larger which he knows that he was meant and made to do."

Cordially,

DEAR CREW MEMBER:

Exciting progress is being made on the Archives.

As you may know the Trustees have asked me to chair the Archives Committee (members listed below). As you can see, it's quite an impressive group, and they desire to be active.

I've spent over a month and a half traveling across the country rounding up support for the Archives among Jaycee alumni, and have logged 10,000 miles in my car. The last three weeks have been spent in the Tulsa Headquarters where I used the Wats line to call old acquaintances and friends to join the "100 THOUSAND DOLLAR CREW."

Every person who donates \$1,000 or more to the Foundation's Archives project will be appropriately listed on the silver "100 THOUSAND DOLLAR CREW" plaque to be placed in the Archives Hall.

Among the first 100 contributors are Trustees John Armbruster and Bruce Palmer, President Bob Rushton, Chairman Bob Lindholm, Past President Gordon Thomas, Phil Knox, Bob Orth, Mike Clarke, J.E. Myers, and yours truly.

Many memorial donations are being made in behalf of Andy Mungenast, Bill Brownfield, other pioneers, loved ones, and dear friends.

Forty-seven individuals have become members of the "100 THOUSAND DOLLAR CREW," by pledges and/or cash donations. We encourage you to do so now as only 53 prestigious openings remain in this special group. All contributions are tax deductible. Initial cash donations have enabled us to proceed on moving a wall out in the designated Archives area providing one-third more space.

We plan to dedicate the Archives during TOYM on Saturday, January 14th in Tulsa. (Contact Joe Dolan for registration and hotel information should you desire to attend TOYM.)

Another exciting part of the Archives will be the U.S. Jaycees Hall Of Fame. You'll hear more on this at a later time.

The Archives will capture the spirit of Jaycees and preserve our history and rich heritage. It also will provide a foundation of strength for the Jaycee movement so other young men may discover opportunities for growth and community service. We hope you will join us in this important effort. Every contribution counts. It's a responsibility we've just got to meet. THANKS!

Sincerely,

ROZ ROSENGREN
