It was so wonderful to receive the Christmas cards from so many of the Crew and I learned a lot of new addresses that way. And my own home address was 710 S. Hanley Road, St. Louis, MO 63105, Apt. 19C so you can correct it as so many sent cards to the home I sold after Eleanor passed away.

And I see that Lillian Brownfield sold her home and moved into a condominium so change her address to 2121 Arlington Ave. #8, Columbus, OH 43221. Lillian is editor of the statewide newspaper of the Ohio Credit Union issued twice a month and has 23,000 circulation, so she keeps busy.

Dr. Walter Chapman's corrects the address given last time - it should read Big Elk Beadows, P.O. Box 937, Lyons, CO 80540. Daly Reid whose address is 1730 Shore Club Drive, St. Clair Shores, MI 48080, said it was so heart warming to hear from so many JC friends and she quotes George Elliston's "How Beautiful A Day Can Be When Kindness Touches It".

Judge Van Pelt asks that his address be changed to 566 Federal Bldg., Lincoln, NE 68508; Adolph Bremer asks his to be changed to 47090 Amir Drive, Palm Desert, CA 92260 and Bob Fishback wrote "Ginny and I have moved to a farm which we wanted for some time" so change his address to 4175 Dayton Road, Springfield, OH 45502.

And John Smither's is now 122 Lambeth Court, Downingtown, PA 19335. Pat Gorman's law firm changed it's name and location - it is now Loomis, Owen, Fellman and Coleman at 2020 "K" Street N.W., Suite 800 and I learn from Dick Taylor that John W. Marsh joined the law firm Mays, Valentine, Davenport and Moore located at the Barr Bldg. 910 Seventeenth Street N.W., Washington D.C. 20006 so correct John's address.

Phil Kirkpatrick's new management and consulting firm is Giddens, Kirkpatrick, Neal and Associates, R 2, Box 39, D 4, Prince George, VA 23875 and Bill Saltiel's address is 10 S. LaSalle Street, Chicago, IL 60611 and I notice on Ron Weger's note paper he is District 636 Governor of Rotary International.

A. B. Logan is retiring from the Federal Government and returning to Colorado Springs as of March 1st. His address 411 Lakewood Circle B 711, Colorado Springs, CO 80910, and Joe Murrell's United Nat'l Travel Bureau's new office address is 59 Miracle City Mall, Titusville, Florida 32780.

And Grahame Thomas Smallwood, Jr. is moving west and his new address is 45 E. 200 N. Apt. 8, Salt Lake City, Utah 84103 after February 1st. And Ed Foote's new address is 40 Westwind Lane, same city, same state and zip code as their Christmas letter expressed it.

I'm using the letterheads this time sent by J. B. Fitzpatrick and I thank him for furnishing them so all can be acquainted with the work he is so vitally interested in.

✓ Rick Thomas asks us to take into the Crew ✓ Jim Reese, First Nat'l Bank Bldg. Odessa, TX; says Jim was 1965-66 U.S. Jaycee VP and Dave Henderson asks us to take ✓ Carl Keplinger, P.O. Box 86 Richmond, VA 23201 who had all state offices except President during his years with the Jaycees.

✓ Tom Watts nominates ✓ John H. Bell, Jr., P.O. Box 205, Elizabeth City, NC 27909 where he is serving his third term as Mayor; ✓ Eve Newell 111 903 Wareham St. and Robert ✓ Bittle 1813 Edgewood Dr. all in the same city as all of them served in various capacities and are highly recommended by Tom who is District Attorney and lives in the same city.

George Pagonis sent me the great article that was in the New York Times December 4th about Reed Larsen and the Shreveport Times of December 11th has a great article about Tom Ruffin so our mates are well honored by these newspapers. Congratulations to both of you.

And Ann Cooper has been chosen Chairman of the Public Relations Committee of the Disciplinary Board in her town and we wish her a great "tour of duty". And Ed Combatalade sent me the program of the great Camellia Festival to be held in Sacramento in March; so these two Californians are still doing their civic work and we applaud them for it.

Bob Condon telephoned from New York to wish me a Merry Christmas and sorry I wasn't home to chat with him but I certainly appreciate the effort, Bob and hope you'll be at the next Crew Reunion so we can all renew many years of our Jaycee friendships.

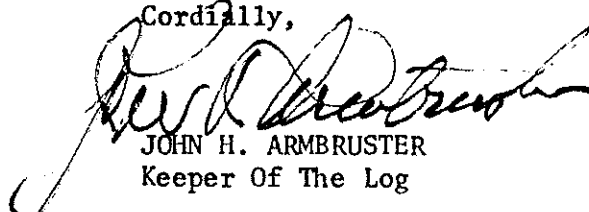

We had the sad news that ✓ Janice Holman passed on; her children wrote "She was truly a remarkable woman and way ahead of her time". What a great memory they - and we - have of her.

Francis Brenner in telling of the plans of the Reunion Committee - "Zip" Zipperer, Frank Hanckel, Matt Hiers and Ben Boatwright and of course wrote that General Mark Clark will be one of our speakers. I'm sure he will be an added attraction to the event, and I trust all of you are planning to make this the largest gathering we've had thus far.

Returned mail saying "moved" ✓ keeps mates from getting the "Log". Latest to be returned are to ✓ Verne Vance, ✓ of Omaha and ✓ Malcolm Fellows of England. If any of the mates know their corrected addresses send them to me so they'll get the "Log" again.

We all express the wish for a "Happy New Year" which reminded me of the words Robert Louis Stevenson wrote and which we may "pause to refresh" ourselves. He wrote -
"There is no duty we underrate so much as the duty of being happy".

Cordially,

JOHN H. ARMBRUSTER
Keeper Of The Log
