Log of the S. S. Fellowship

September 15, 1978

As you know, we need and always enjoy receiving your letterheads for our continuing publication. We appreciate the letterhead of George A. Spencer.

It is with mixed emotions that I give you the following information. First, it is a pleasure and very gratifying to inform you that Joe Dolan has accepted an excellent position in Florida. Secondly, it is with regret that I will not be able to see "Little Joe" (the human dynamo) two or three days a week to receive his undying enthusiasm for the Archives, The Log, and sincere fellowship. I know all of you join me in wishing Joe the best.

We received a nice note from Robert H. Smith, now living in Sedona, Arizona (659 Coronado Trail) wherein he mentioned that he was thrilled to know that the old Oliver typewriter of John Armbruster had been added to the Archives. Bob was also happy to note that we will soon be acquiring a taped conversation with Orville Spreen.

I have tried calling several times during the last month but have been unable to reach Orville.

Harold Paulson has moved to Helena, Montana (Western Life Insurance Company, P. O. Box 374, Helena, MT 59601) and has asked for John Ben Shepperd's address which is Odessa Nat'l Gas Company, P. O. Box 3908, Odessa, Texas 79760.

Roger Flumerfelt writes that he and Shirley have moved to 3025 Crescentview Drive, Capilano Highlands, North Vancouver, B. C. V7R 2V3. We know that it must be a good move or Roger would not have made the decision.

John Gcott has sent in a contribution from the South Africa Jaycees in memory of John Armbruster. John, please pass on our appreciation to all of your Jaycees.

We are happy to know that Jaycee Senator Bill Waters, 470⁹ MacArthur Boulevard, Washington, D. C. 20007, attended the Kiwanis International Convention in Florida recently, pushing desparately for the USA dollar during the international politics and economics meeting.

What a pleasure it was to receive a call at my home on Saturday, September 1, from Allen Whitfield, expressing his approval of the continuation of the Log. That is far greater than the Duncan Hines approval!

Thanks to the continuous inspiration of Col. Roz Rosengren, our 100 THOUSAND DOLLAR CREW has reached 107 members!
