 AREA CODE 515

REFER OUR FILE NUMBER:

Last month we reported to you that Chet Lind was "acting" chief executive officer of Northwest Bancorporation. We are happy to announce that it is now official - Chet has been elected President and chief executive officer. Congratulations, Chet! And thanks to Ulric Gwynn and Arthur King for sending us the news.

John D. Thomas, U.S. Jaycees Treasurer, 1952-53, has been elected to the Board of Directors of the National Automobile Dealers Association from Alabama.

Also, Fran Minard, Lincoln, Nebraska, was recently re-elected to a six year term on the Lincoln Airport Authority.

Another honor bestowed upon one of our mates was sent in by Kathleen Olson, secretary to Carman E. Kipp. Kathleen tells us that Carman has been elected President-elect of the Utah State Bar for 1979-80. Carman was Utah Jaycee President in 1957-58.

Wilbur "Mac" McEachern of Greenville, South Carolina, was recently inducted into the Half Century Club of the South Carolina Bankers Association during the association's 1979 annual convention. Mac, who works for South Carolina National Bank, was presented with an inscribed silver goblet in recognition of his over 50 years continuous service in banking. Mac was a Jaycee for many years while living in Florida.

Heard from Hal Scherer of New York, New York, who is now Vice President-Electrical Engineering for the American Electric Power Company in New York. He was recently elected a "Fellow" of the Institute of Electrical and Electronic Engineers. Hal is also serving as a member of a joint US-USSR working group on power transmission and has attended a number of international conferences. Hal was New Jersey State President in 1960-61.

As you know, we have several international "mates" on our Crew. One of them, Malcolm Fellows of Wolverhampton, England, wrote to tell us about a newsletter that he writes for Senators entitled European Senators Newsletter. He adds that the title "European" is misleading for it is mailed to Senators the world over including some 320 Senators in the United States. Should any of you wish to receive a copy of this quarterly newsletter, write to Malcolm Fellows, Whiteheads P.O. Box 42 Snow Hill Wolverhampton England.

We are happy to report that Joe Dolan, former Director of the U.S. Jaycees Foundation, has made an interesting discovery. Following a lead given to him by Charlotte Mungenast, Joe has located one of the charter members of the United States Junior Chamber of Commerce. His name is Al Schwerdtmann and he lives in St. Petersburg, Florida. Al was one of the original founders and knew John Armbruster, Andy Mungenast and, of course, Henry Giessenbier. We welcome Al as a member of the Crew. ✓

August 15, 1979

Other nominees for membership on the Crew are: Bruce Barrow, 1822 Vandervort Road, Lutz, FL 33549 and Robert "Bob" Simms, 817 North Main, Independence, MO 64050. Both men are past U.S. Jaycee Chaplains and were nominated by Frank Foster, past National Vice President, 1965-66. Don Varnadore, Executive Vice President of The U.S. Jaycees, nominates Fred Bearden, 400 Thompson Drive, Richardson, Texas 75080. Fred is a past President of the Richardson Jaycees. Gordon Thomas, Past National President, 1970-71, asks that we take on board Farnsley L. "Pete" Peters, 5909 Lengwood Drive, Cincinnati, OH 45244. Pete was Illinois State President, 1960-61 and is currently Executive Vice President of the Greater Cincinnati Chamber of Commerce. And, Robert H. Ewing asks that we take on James D. Bligh, Jr., 4701 Sangamor Road, Bethesda, MD 20016. James was President of the Washington, DC Jaycees in the early 1950's.

Two of our "lost" Crew members have been rediscovered. Norman H. Birnkrant wrote to tell us that Rolland Fisher, formerly Executive Secretary of the Detroit Real Estate Board has retired and moved away from the city. His new address is: 27239 Cranford, Dearborn West Apartments, West Dearborn Heights, MI 48127. Harry Stewart wrote that after working for quite some time with Ed Randle he found out that Ed was a former member of the Crew and had lost touch somehow. Ed's address is: American Insurance Marketing, Inc., 6 Office Park Circle, Suite 115, Birmingham, AL 35223. We are glad to have these fellow Crew members back with us.

Thanks to Allen Whitfield for providing us with the letterhead we are using this month. Others who sent in letterhead which will be used for later issues of the Log are: Robert Cook, Illinois Association of Realtors; Bill Moore, Moore Lithographs, Inc.; E. Larry Moles, Moles and Associates and Richard H. C. Taylor, Chairman of the Board of the American Heart Association. If you would like to contribute letterhead for the printing of the Log, send 1,000 sheets to The United States Jaycees Foundation, P.O. Box 7, Tulsa, OK 74121.

Twenty-five dollar contributions also were received from George A. Dubois, Gerwyn A. Jones and Harold Swanson. Many thanks to these mates who help to keep the Log going. Remember, these contributions are used for the printing and mailing of the Log and are tax deductible. If you would like to contribute, please send your check to the Foundation office.

Delia Mrs. Vivian Kobs sent in a \$25.00 check in memory of her husband, Ober A. Kobs. Ober passed away June 16 after a short illness of eight months. Our condolences go out to Mrs. Kobs.

Walter We are saddened to have to report the death of others of our Crew. Harold Swanson wrote to tell us of the passing of Walter M. Lindemann. Walter died of an apparent heart attack on July 4. We also learned of the death of Al McIntosh, who died after a week-long illness, in Luverne, Minnesota. That information from Robert Van Pelt. And, also, we are tardy in reporting the death of Bill Collins, who suffered a stroke on May 7 and died the following day. We appreciate Paul Houghland, Jr. for writing to us about that.

A report from the Tulsa Oldtimers tells us that Charlie Kothe and Charles Ford are working as Co-chairmen of the 1980 Crew Reunion, with Walt Clinton acting as Honorary Chairman. Word has it that big plans are being made; so plan now to travel to Tulsa next April for the Crew Reunion. We will keep you informed as more plans are disclosed.

And, finally, the following Crew members did not receive their Logs because of incorrect addresses. If you know where these fellow members are, please let us know here at the Foundation office. They are: Larry Traudt, Lincoln, NB; Ralph Bachenheimer, Nashville, TN; Walter Weller, East Orange, NJ; Ed Logelin, Kent, OH; Fred Bornstein, Sharon, MA; Greg Anderson, Pocatello, ID; John Mangrum, Dallas, TX and Charlotte D. Kimball, Washington, DC.

Please send us your news! We want to hear from you and so do your fellow mates. Mail to: Keeper of the Log, U.S. Jaycees, P.O. Box 7, Tulsa, OK 74121.

Signed _____

John Armbruster wrote in his October 15, 1969 Log, "Samuel Johnson was a wise man and one of his observations made me think of the good that has been expressed in the lives of our mates, for he said,

'To improve the golden moment of opportunity and catch the good that is within our reach, is the great art of life.'

The Keeper of the Log
