

Log of the Fellowship

MAY/JUNE/JULY 1993

Annual Crew Reunion festivities were held May 1 and 2 in Washington, D.C., continuing the proud tradition of Junior Chamber fellowship established by John Armbruster.

The meeting was chaired by **MAJOR GENERAL EVAN "CURLEY" HULTMAN**, president of the Interallied Confederation of Reserve Officers. Curley not only has distinguished military and Junior Chamber careers, but is an impressive crooner. During the Saturday night banquet, Curley took the microphone and captivated the crowd.

Speakers included Dr. Edward D. Lozansky, president of Russia House Inc. and American University in Moscow; Herman Pirchner, president of the American Foreign Policy Council; and Conrad O'Brian, past president of Junior Chamber International. There was a presentation from the 50th Anniversary of World War II Commemorative Committee and a video from General Gus Pagonis focusing on the logistics operations that led to the success of Operation Desert Storm.

Discussion was lively (especially on the future of the Junior Chamber movement) and the renewal of friendships grand. Approximately 70 Mates and their mates attended the gala.

Plans are already well underway for the 1994 Crew Reunion. Mate **RICHARD H. C. TAYLOR** (P.O. Box 22, Hanover, VA 23069) tells us to mark our calendars for April 29 - May 1, 1994. The site will be Richmond, Virginia, and the event is not to be missed. Write Dick for more information and watch these pages for more details as they are available.
