

## "LEGACY OF LEADERSHIP" CAPTURES JAYCEE HISTORY

If you do not have a copy of *A Legacy of Leadership*, a history of the first 75 years of the U.S. Junior Chamber of Commerce, order it now. Price: \$25 plus shipping and handling. Source: USJCC, PO Box 7, Tulsa, OK 74102-0007. Phone orders: 1-800-331-3248; fax: 918-584-4422. The book is a great job of research and editing by Mate **John Clark** (439 East Drive, Oak Ridge, TN 37830). You'll treasure pictures of events that were part of your Jaycee experience.

## ALBUQUERQUE JAYCEES RE-EXTENDED

The Albuquerque, NM, Jaycees have been re-established. Mate **Kelly Wills**, USJCC President, and several headquarters staff members conducted an intense one-week membership campaign. The result was a new chapter with more than 200 founding members. Members of The Crew with contacts in and around Albuquerque should urge support for the new organization.

---

## JOLIET JAYCEES RE-EXTENDED

The Joliet, IL, Jaycees have also been re-established, thanks to the efforts of Mate Jim O'Connell (1009 Western Ave., Joliet, IL 60435). Thanks, Jim, for bringing Jaycees back to your home town.

---

## JAYCEE ALLIANCE CHANGES

Delegates to the 75th anniversary convention rejected the proposal of a political appendage to the USJCC to be called The Jaycee Alliance. The proposed organization was designed to represent sentiments of young people across the nation (including Jaycees and non-Jaycees) without a suitable democratic process for discovering those sentiments.

Instead, USJCC President Mate **KELLY WILLS** has converted the Jaycee Alliance as part of the Jaycees' Governmental Affairs program.

## 1996 REUNION PLANS ANNOUNCED

Mate **Bob Goetz** (8935 Orange Hunt Lane, Annandale, VA 22003) has announced plans for The 1996 Crew Reunion, to be held April 26-28, 1996, at the Sheraton National Hotel, Columbia Pike & Washington Boulevard, Arlington, Virginia (Crystal City). Rooms should be reserved directly through the hotel (1-800-468-9090); mention you are with The Crew to get the rate of \$82.00 (plus tax) per night. The hotel also provides courtesy shuttle service from Washington's National Airport throughout the day. Parking is free for all attendees.

Registration for the entire weekend is only \$125, which includes Saturday lunch and dinner/dance, and Sunday prayer breakfast. And - of course - plenty of hospitality!

Speakers are now being lined up for Saturday. If you have any topics you want to have covered and/or speakers you would like to recommend, contact Bob as soon as possible.

Send your registration (using the form found elsewhere in this issue of *The Log*) to Bob (at his address listed above); make your check out to "The Crew". If you have any additional questions, drop Bob a note or call him at (703)425-5331 (evenings).

75229) has been elected Club Service Director of the Las Colinas Rotary Club. This past year Hal has been Chairman of the transportation division of the Irving Chamber of Commerce, concerned with aviation, roads and mass transportation.

Mate **Roland Hebb** (6750 U.S. 27 North, Unit B-1, Sebring, FL 33870) writes that he believes that raising the age limit for Jaycee membership might have contributed to decline of the organization. Organizations, like products, need to fulfill specific needs. When the function is less distinctive, the fit in a niche is poorer. How junior is junior?

Mate **H. David Ingram** (PO Box 43, Amelia, VA 23002) was recently sworn in as President of the Virginia Jaycees Foundation, where he delights in giving away money to Jaycee projects and programs throughout Virginia.

Mate **John Mungenast** (2901 Peninsula Drive,

Oxnard, CA 93035) writes: "When I joined the first of nine chapters and later was elected president of the Lynchburg, Virginia, chapter (200 plus members in a town of 25,000), Dad warned me about a clique of "old farts" in the back of the hall who just couldn't relinquish the reins of such a power base. Dad urged me to get them out -- fast."

Now there are power brokers who have substantially destroyed competitive fairness in Jaycee elections at the higher levels. This is a major factor in falling interest in the Jaycee movement generally.

Mate **Wayne Field** and his wife Maria (3420 Heritage Drive, Edina, MN 55435) are drawing attention to the growing tragic problem of Alzheimers Disease. As more Americans live longer, they are more subject to the diseases characteristic of old age - cancer, fatty degeneration of the arteries and Alzheimers.

Members of The Crew face or soon will face these problems directly. Solutions lie less in treatment than in prevention. Effective prevention, in turn, depends upon research. Empirical and experimental research separates what is real and what is mere speculation. There are many prevalent notions about how to delay disability and death. And oldsters need more dependable directions. Unfortunately most medical research funding is devoted to crisis medicine - too-late and too-expensive "repair" medicine.

The overwhelming percentage of medical care costs are for the last months of life. A wag points out that a disproportionate cost of space exploration is for protective technology for astronauts, and he suggests that old characters, like us, ought to be sent into space. "They wouldn't have to bring them back," he says.

Mate **Jim Nefflen** (7812 Royston St., Annandale, VA 22003) has nominated **Jim Ashley** (5035 Bel Estos Dr., San Jose, CA 95124) to The Crew. Jim is JCI Senator #23854, and currently serves as President of the US JCI Senate. He and his wife Debbie have been active supporters of the California Jaycees and JCI Senatouristas for many years (not so many years for Debbie). Welcome Aboard, Jim!

Mate **Eddie Parker** (P.O. Box 1525, Darien, GA 31305) reports that he sold his business and, supposedly, retired last year. Jaycees never retire. They have too much enthusiasm for life to stop trying to achieve beneficial objectives.

Mate **Gary Stoltman** (677 Taxson Ave. Hamilton, N.J. 08619) nominates **John Haralson** 2809 Butterfield Court, Columbia, MO 65203) to The Crew. John was Missouri State President in 1972-73. He retired recently as Colonel, U.S. Army and is now with the U.S. Postal Service. We welcome John aboard.

Mate **Len Newton** (90 Dempsey Avenue, Princeton, NJ 08540) was, as a young American soldier, put in charge of the Peking (now Beijing), China airport at the end of World War II. Len learned to speak Chinese, and since then he has been an unofficial trade missionary, helping Americans do business in China and Chinese make contacts in the United States. One of Len's most interesting projects is a Phonetic Chinese Language System to facilitate use of computers in the Chinese language.

Mate **Bobby Roberts** (1310 New York Ave. Lynn Haven, FL 32444) nominates **Hy Wakstein** (2693 Island View Drive, Panama City, FL 32405) to The Crew. Hy, a prominent business leader in Panama City, is the last surviving charter member of the Panama City Jaycees. Hy is the kind of veteran Jaycee and community leader we are delighted to have in The Crew.

### A Message From The Keeper of The Log

I believe that the trials which beset me today are but the fiery tests by which my character is strengthened, ennobled and made worthy to enjoy the higher things of life, which I believe are in store for me.

I believe that my soul is too grand to be crushed by defeat; I will rise above it.

I believe that I am the architect of my own fate; therefore, I will be the master of circumstances and surroundings, not their slave.

I will not yield to discouragement; I will trample them under foot and make them serve as stepping stones to success; I will conquer my obstacles and turn them into opportunities.

I will not waste my mental energies by useless worry. I will learn to dominate my restless thoughts and look on the bright side of things.

My failure of today will help to guide me to the victory on the morrow. The morrow will bring new strength, new hopes, new opportunities, and new beginnings. I will be ready to meet it with a brave heart, a calm mind, and an undaunted spirit.

In all things I will do my best, and leave the rest to the Infinite.

### **Future Publication of *The Log***

The US Jaycees Foundation and US Junior Chamber of Commerce have generously borne the costs of collecting information, maintaining mailing lists, writing, printing and mailing *The Log* since the days of Johnnie Armbruster. This continues now; but it has been proposed that The Crew assume these burdens, to free up the money to provide other services and grants to Jaycee chapters. This proposal was mentioned in the last issue of *The Log*; since then, many Mates have weighed in with their opinions and alternatives.

After reviewing the various options and considering the views expressed by all Mates who chose to participate in the discussion, it was decided that, after the March/April issue, *The Log* would be produced by The Crew at the expense of those who want to receive *The Log*. The cost per Crew member would be small, calculations indicate. An annual subscription donation of \$10 is expected to be sufficient. A subscription system also will serve to separate interested members of The Crew from persons with no continuing desire to be included, thereby saving waste. There are currently over 1,300 Mates on the rolls; however, only 20-30% contribute news and materials, nominate new members, or participate in Crew reunions. We don't even have current addresses for Mates.

As many of you know, the members of the US Junior Chamber of Commerce Executive Committee automatically become members of The Crew upon their election. Plans are to provide them copies of *The Log* during their term of office. Other nominees for membership (after the 1996 Crew Reunion) should be accompanied by a check from the nominator for the nominee's subscription donation for the first year. After that time, the individual Mate should pay their subscription donation themselves.

So, if you want to continue to receive *The Log* after the next Crew Reunion, maintain contact with your former associates in Jaycee leadership, and be a part of efforts by The Crew to bolster and support the Jaycee movement, please send your check for \$10 payable to "The Crew" at The Crew, Box 316, Mount Vernon, VA 22121.

And remember, always, to send news of your significant activities to the Keeper of the Log. Your friends across the world will want to know about developments in your life.

### **GALS/TOYA/FOTS - ALPHABET SOUP?**

GALS/TOYA/FOTS - what does this jumble of letters mean? Before this Jaycee year, the US Junior Chamber of Commerce held three events - Ten Outstanding Young Americans (TOYA) Awards in January (held in Tulsa), Government Affairs Leadership Seminar (GALS) in September (held in Washington, DC), and Future Officer Training School (FOTS) in March (held in Tulsa). This year, all three events are being held together in Washington, DC, from March 12-16, 1996. Most events will be held at the headquarters hotel, the Omni Shoreham.

Previously GALS each year was limited to members of the USJCC Board of Directors, where they received briefings and orientation to the federal government. This year, GALS is open to anyone who wants to attend. GALS sessions will be held on the mornings of Wednesday and Thursday, March 13 & 14, with visits to Congress, a rally, and a Congressional reception also being held the afternoon and evening of Wednesday, March 13.

TOYA activities will take place the evening of Thursday, March 14. The TOYA Banquet will be held at the Omni Shoreham Hotel from 6:00 pm to 7:30 pm, followed by the TOYA Ceremony at Constitution Hall from 8:00 pm to 10:30 pm.

On Friday, March 15, a new event will take place at the Omni Shoreham Hotel called Business Day. Business Day will provide attendees with seminars on negotiation, marketing, and starting a small business. Awards earned by Jaycee state organizations will be presented during Friday's Award Luncheon.

Then, FOTS will be held on Saturday, March 16. FOTS provides training to people anticipating running for state or national Jaycee office for next year. While previously FOTS concentrated on future State Presidents and National Vice Presidents, this year it will include training for Region and District Directors and Statewide Vice Presidents.

This event provides us with an opportunity to see today's Jaycees close and up front. If you would like to attend one or more of these events, contact Pam Bruns, Director of Meetings, US Junior Chamber of Commerce, at (918) 584-2481 ext. 744, for registration information.

The last issue of The Log (September/October 1995) was sent to everyone on The Crew mailing list first class, rather than bulk rate as normally done. This was done to validate everyone's mailing address prior to the 1996 Crew Reunion. We received many address changes, and approximately 10% of the mailings were returned without a forwarding address. If you have a current address for any of the following Mates, please drop a note to: Keeper of The Log, Box 216, Mount Vernon, VA 22121.

**TENTATIVE SCHEDULE FOR THE "JAYCEES WAKE-UP AMERICA TOUR"**

January 31, 1996

Dear Members of The Crew:

The "Jaycees Wake-Up America Tour" is well underway. I am writing you on board our mobile command center now heading for the West Coast. The response has been overwhelming! Chapters and the media have greeted us in full force. America's Young Leaders in Action are setting the pace as we set our sights for Lexington.

In the first month, our tour made stops in Oklahoma, Texas, Nevada, Kansas, New Mexico, Arizona, California, Colorado, Wyoming, Nebraska and Iowa. In my last "ship-to-shore message," I listed several events where our bus will be seen. We can now add the Daytona Bike Week Parade with me leading the way on a "Harley."

This is a tremendous opportunity to reach our members at a grass-roots level. As we put into port, I am looking forward to seeing you at one of our many stops. A tentative itinerary is published in this edition of *The Log*. Please confirm your travel plans with your state office. There is still room for you to "crew" on the tour. You may call the National Service Center for more information.

March 12-16 are the dates for this year's Ten Outstanding Young American's Congress (TOYA). The event has been moved to Washington, DC, and will be paired with the Governmental Affairs Leadership Seminar (GALS) and the March Board Meeting. The honorees have yet to be announced; however, Mr. Bob Losure of CNN Headline News will serve as Master of Ceremonies. This will be a first class event!

The short wave operator tells me that my time for this transmission is about up. I am committed to grow this organization, and I am calling on all able-bodied crew to man their battle stations. This is an engagement we cannot afford to lose. "Don't give up the ship!"

Criss-crossing our nation for America's Young Leaders in Action, I remain,

Dedicated to growth,

Kelly J. Wills

## 1995 WORLD CONGRESS, GLASGOW, SCOTLAND

The 50th World Congress of Junior Chamber International was held in Glasgow, Scotland during November. Among the many Mates attending were **Peter Bakus** (2227 Alpine Ave., Sarasota, FL 33578), **Ray Baskette** (2203 Winding Woods Dr., Tucker, GA 30084), **Bill Buck** (377 E. Clarendon Ave., Phoenix, AZ 85012), **Win Cook** (4235 Gulf of Mexico Dr., Longboat Key, FL 34228), **Robby Dawkins** (1205 Pendleton St., Suite 506, Columbia, SC 29201), JCI Secretary General **Benny Ellerbe** (Junior Chamber International, PO Box 140577, Coral Gables, FL 33114), **George Fraser III** and his wife Barbara (Spexarth Land Company, 5550 Hwy 101N, Seaside, OR 97138), **Chuck Fries** (1927 Hastings Court, Schaumburg, IL 60194) and Maxine Wallisch, **Bob Goetz** (8935 Orange Hunt Lane, Annandale, VA 22003), **William (Hap) Hilbish** (600 W. Country Club Dr., Jefferson City, MO 65109) and US Junior Chamber of Commerce President **Kelly Wills** (PO Box 7, Tulsa, OK 74121).

Although it was hard to tear themselves away from sightseeing, traditional Scottish hospitality (including haggis) and visiting with old friends, including Mate **Gavin MacPherson** (4 Dyneley Hall, Bramhope, Leeds LS16 9BQ), they witnessed Mate **Thomas J. Clear III** (City Centre Bldg., Suite 475, 6400 Uptown Blvd. NE, Albuquerque, NM 87110) and Mate **Richard Rillera** being sworn in as President and Vice President of Junior Chamber International, respectively. Congrats, Tom and Richard! (*Sorry if we missed your name here - drop us a note to remind us! -- Keeper of the Log*)

Also adopted by the World Congress delegates is a document called JCI Vision 2000, reprinted below. This document contains proposals developed by the JCI Strategic Planning Committee, chaired by Past JCI President Albert Hiribarrondo.
