

It's Not Too Late to Book Passage for Reunion 1998!

Mate **Gordon Lowry** (2039 Neepwa Ave., Ottawa, ON K2A 3L7 Canada) tells us it's not too late to book passage on the '98 Crew Reunion, but you'd better hurry before the hotel is full. The '98 Crew Reunion will be held in conjunction with the 25th anniversary meeting of the Canadian JCI Senate and jointly with the Canadian Crew Meeting from May 15-17, 1998, in Ottawa, Canada. The registration form is enclosed in this issue of *The Log*.

Gordon tells us that this year's Reunion promises to be memorable, and that registrations are already over 100. Besides seeing some Mates we haven't seen for awhile, Gordon's group has a lot of activities planned to keep us busy throughout the weekend (Is that to keep us out of the Hospitality Room?). The events include --

Friday, May 15, 1998 ōHospitality open from 5:00 to 10:00 pm

Saturday, May 16, 1998 ōBreakfast at 8:30 am, with speakers
ōDouble Decker Bus Tour and Lunch from 11:30 am to 1:30 pm
ōUS Crew and Canadian Senate separate programs from 2:00 to 4:00 pm
ōReception at 5:00 pm, followed at 6:30 pm by the President's Dinner with entertainment and a speaker, and then Hospitality from 11:00 pm until ???

Sunday, May 17, 1998 ōMemorial Service and Devotional at 9:30 am, with our own Mate **Phil Knox** as Guest Speaker
ōBrunch with Special Guest Speaker at 11:00 am
ōAnd, for those staying on, the Tulip Festival and Tulip Beds Displays continue, with the Tulip Festival Flotilla on Rideau Canal at 2:00 pm

Gordon also tells us that one of our guest speakers will be The Honorable Herb Gray, Deputy Prime Minister of Canada and JCI Senator #97. He also notes that, besides the Tulip Festival, the Canadian National Art Gallery (4 blocks away) will have the Picasso exhibition on view the same time as our Reunion - its first showing in North America!

One last word of advise - exchange your US \$\$\$ at your local bank or the airport - you'll probably get a much better exchange rate than at retail establishments or the hotel.

We'll also be choosing the site for our next Crew Reunion. See you there!

From the Keeper of *The Log*...

Thanks to those of you who have generously contributed to keep *The Log* going. This issue will only go to those who have contributed last year or this, plus those new addresses we received from the last issue of *The Log*. Also, contributors from last year and this year will receive a free copy of the new Crew Directory being published this spring; others will pay \$10 for their copy to defray printing and postage.

So, if you didn't get to contribute something after the last issue (Fall 1997), we're asking for contributions to support *The Log* for the next year. The amount you give is up to you. But, if we get enough money, we intend to resume sending *The Log* to every one of our 1400+ Mates. If not, only those who contribute will continue to receive it. Please send your contributions made payable to "**The Crew**" to **Keeper of *The Log*, Box 316, Mount Vernon, VA 22121-0316**. While you're at it, drop us a note with news for the next issue.

A Mini-Crew Reunion

Mate **Gordon Thomas** (10820 Oakvalley Court, Loveland, OH 45140) reports that again this May for the ninth straight year, a most unique group of sixteen former Jaycee leaders will get together to play golf, renew great friendships and reminisce about the "good old days." The group includes four past national presidents, two past national executive vice presidents, a past national vice president, a past national legal counsel, two past state presidents and six past national staff officers.

For eight of the nine years the gathering has been held at a mountain golf resort in North Carolina. Over the four days the group plays five rounds of golf and a lot of Gin. Every election has been rehashed a hundred times. It is just a good time with good friends who came to know each other as active Jaycees.

The group includes past USJCC presidents **Gordon Thomas** (1970-71), **Sam Winer** (1972-73), **Rick Clayton** (1973-74) and **Frank Ziebell** (1976-77); past USJCC executive vice presidents **Tom Donnelly** (1969-70) and **Bob Dunbar** (1970-72); past USJCC vice president **Jim Ottis**; past USJCC legal counsel: **Brian Heaney**; past state presidents Malcolm Tallmon (Texas) and Lowell Thompson (Minnesota); and past USJCC staff officers **Al Murfin**, **Sid Harris**, **Dave Henderson**, **Lim McCauley** and **Bob Miller**.

These members of The Crew with special affinities ought to consider a side session in Ottawa this May. We all would like to spend some time with them.

Recalling Greatness

Former national vice president, mate **Al Murfin** (4629 Mark Four Parkway, Fort Worth, TX 76106) writes: "Many mates will recall that the 1970s were a time when the U.S. Jaycees were a very strong organization with over 300,000 members and over 5,000 very active and involved local chapters."

Co-Keeper of *The Log* **Ralph Rohweder** adds: That was before the USJCC and JCI emulated the centralized planning, programming and power model of the Soviet Union, Nazi Germany and the People's Republic of China.

Note From an Old Friend

Mate **Jim Riggs** (P.O. Box 3104, Jamestown, NY 14702) sent a brief note with his contribution for *The Log*, reminding us (as though we needed reminding) that he was Ohio state president in 1947-48. Jim lived in East Liverpool on the Ohio River in those days, and Bill Brownfield of Columbus, then an Ohio state vice president, was writing The Jaycee Creed. The Ohio

Jaycees were a powerhouse in those days. Jim and Bill were inspiring leaders.

Enjoying Status of Single Grandparent

Mate **Larry Sheeler** (530 East St. Louis, Las Vegas, NV 89104) reports that he is retired and getting special pleasure out of his seven grandchildren. Larry was president of the U.S. JCI Senate in 1987-88.

Charm In a Letter

NATIONAL REVIEW, in its December 31 issue, published a delightful letter by Tom Knox - son of mate **Phil Knox** (3337 American River Drive, Sacramento, CA 95864) and wife Joan. The letter to William F. Buckley recalled a time in 1966 when Tom and a college classmate visited the Buckley home as unannounced strangers and received a warm welcome. If you have not already enjoyed Tom's account of the adventure, get your hands on the 12/31/97 issue and turn to page 18.

Also From *NATIONAL REVIEW*...

A question for philosophers: If a husband says something in the forest, and nobody hears him, is he still wrong?

We'll Miss Some Long-Time Carolina Friends in Ottawa

Mate **Harry Stewart** (100 Edinburgh Road, suite 203, Raleigh, N.C. 27608) will be missing our 1998 reunion in Ottawa because his oldest grandchild will graduate from Smith College at that time. Harry has been one of the special treats of reunions because his humor matches and often surpasses the most famous of comedians. Harry writes that his oftentimes partner in comedy, mate **Cou Browne** (200 West Cornwall Rd., Apt. 135, Cary, N.C. 27511) also is unlikely to be able to make the trip. Another prominent member of The Crew, mate **Billy Harrison** (109 South Cobblestone Street, Rocky Mount, N.C. 27804) will also be absent. Both would like to hear from old friends in The Crew.

More Than 45 Years of Public Service

Mate **Bill Faherty** (Panther Valley, The Crest, 123 Osprey, Hacketstown, N.J. 07840) probably has headed more civic enterprises in New Jersey than anyone. Starting as president of the Trenton and, later, New Jersey Jaycees, Bill became president of the New Jersey Chamber of Commerce. He organized the Governor's Invitational Tennis Tournament 24 years ago and continues to serve as chairman. Over the years the event has produced nearly \$3 million for the arts in The Garden State. Bill heads the Governor's Council for a Drug-Free Workplace, an increasingly important effort. Bill was

deputy mayor of Trenton and, later, assistant commissioner of banking and insurance for the state.

An Array of New Titles and Duties

Mate **Peter Lambertson** (14 Circuit Drive, East Providence, R.I. 02915) is the new Human Resources Specialist - Compensation, for Boston Financial Data Services, Inc. Peter has been elected recently to the board of trustees of the National Multiple Sclerosis Society, R.I Chapter. He serves on the board of advisors of the Brendon School, and tutors student athletes at Providence College.

Only Partially Retired From Army

Mate **Park Shaw** (P.O. Box 1418, Carefree, AZ 85377) is, in one sense, retired from the Army, but he now serves as president of the Association of the United States Army, Arizona chapter. Park is a high-energy guy who provided much of the drive for the outstanding reunion of The Crew in Phoenix in May, 1997.

A Relentless Organizer

When mate **Bob Cook** (5544 Wells Fargo Drive, Colorado Springs, CO 80918) served as Executive Vice President of the Illinois Association of Realtors, membership increased from about 1,000 to more than 34,000. Now he is president of United Fidelity, an Illinois-based financial holding company engaged in residential mortgage banking and insurance. Mate Bob was Illinois state president, 1954-55, national vice president, 1955-56 and candidate for national president in 1956. Bob's main civic concern these days is Koinonia House, creating bridges for Christian inmates to go from prison to local churches through biblical discipleship. The important purpose is to accomplish what prisons seldom do, bring about a rebirth of moral character and make possible re-integration into the world of wholesome living.

John Mungenast Recovering

Mate **John Mungenast** (2472 Eastman Avenue, Bldg. 33, Ventura CA 93003) writes that his recovery from kidney cancer is proceeding well, thanks to his loving wife, Alice, the UCLA Medical Center and many prayers.

John says that the Ventura Jaycees are an inspiration both in their local civic activities and in ambitious extensions to five nearby towns. The Ventura firebrand is Mary Barnes, a petite five-foot tall dynamo. Mary proposed a chapter in a little town that time forgot. From just three candidates at the first meeting, she built a group of twenty for Charter Night, and the group continues to be active.

John writes: "Sure, things have changed, but the Jaycee spirit - which you created - lives on in a thousand chapters. Be proud of our heritage."

New Title, New Address

Mate **Mike Murphy** (3616 Sunset Beach Dr. N.W., Olympia, WA 98502) is now Deputy State Auditor of the State of Washington. Mate Mike says that he plans to live forever. "So far, so good," he writes. Mike was Washington state president in 1974-75 and USJCC chaplain in 1975-76.

A Mate Needs Your Prayers

Mate **Corley Thompson** (8616 S.E. Gulfstream, Hobe Sound, FL 33455) writes: "Sorry unable to make Crew meeting. Been having a bout with lung cancer. Best wishes."

There Is Great Talent In The Jaycees These Days, Too!

Consider this record for concrete accomplishment. In 1989-90 the Nebraska Jaycees, with 120 chapters and 7,050 members finished first in U.S. Parade of States competition. It had the top membership growth in state history, with 4,000 new members and a net growth of 2,000. Nebraska finished number one in all four programming areas. State president, mate **Gary Person**, won the Clayton Frost Award - - of course.

It is significant that Gary's brilliant performance record did not lead to his being selected by the over-age political "hacks" to bring his great talent to the national presidency, although his colleagues named him the outstanding USJCC executive committee member.

Gary is now the Economic Development Director for the City of Sidney (1115 13th Avenue, Sidney, NE 69162). A young man yet, Gary has a great future because results count in most of the games of life.

Moving Down South...

Mate **Chris Vail** (2559 Octavia Lane, Marietta, GA 30062) tells us he moved back to Georgia last June. He recently acquired the Police Supervisors Group, and is now the owner, editor, publisher, secretary, file clerk and janitor. This is the first association for first-line supervisors in law enforcement, security, corrections, or elsewhere in the criminal justice community. One does not have to be in law enforcement - just an interest in police management, supervision and leadership qualifies you for membership. Plus, Chris is looking for corporate sponsors that have an interest in supporting this aspect of police management. You can also contact Chris via phone (770)321-5018 or email vail.led@atlonline.com.

Nothing Keeps This Mate Down

Five weeks after coronary artery by-pass surgery, heart valve replacement, plus a minor stroke during surgery, mate **Marshall Cobleigh** (West River Road #2, Manchester, N.H., 03104) was off for Hong Kong, Phuket and Chaing Mai, Thailand. Marshall followed the trip to the Orient with sojourns in Tucson, Arizona, Las Vegas, Bryce and Zion National Parks. He made his annual trip to Philadelphia for the Atlantic-10 basketball tourney and to Montreal for its jazz festival. Marshall spent two weeks in the Canadian Rockies and in December went to Florida for a New England Patriots game against the Tampa Bay Buccaneers.

For 1998 Marshall plans a month in Florida and trip to Aruba and a cruise to Alaska. First he has to baby sit in connection with the birth of a new grandchild. Then he can attend 10 Boston Celtics basketball games and several Boston College, UMass and Providence College games.

Before he became one of the airline and hotel industries favorite customers, Marshall was chief of staff for Congressman Bill Zeliff.

A New Senator...It's About Time!

At the US Jaycees Foundation Hall of Leadership Luncheon in Washington, DC this past January, mate (and co-Keeper of *The Log*) **Ralph Rohweder** (Box 316, Mt. Vernon, VA 22121) was honored with a Senatorship sponsored by his fellow Mates in the DC area. Since Ralph's Jaycee days were before the Senate program was conceived and he had moved from Illinois to Virginia, he was just overlooked.

Making the honor even more special was that Ralph's Senatorship was presented by the JCI World President, the USJCC National President, and the USJCI Senate National President, and witnessed by his successor (by 50 years) as Illinois Jaycees State President.

Make sure you ask Ralph what his number is at the Reunion. (Do you think he'll remember?)

AHOY!

Mate **Doug Hincker** (41948 Brentwood, Plymouth, MI 48170) has nominated **Ron Robinson** (46663 TR 74, Coshocton, OH 43812), JCI Senator #13889 to join The Crew. Ron was chapter President, State Vice President and National Director for the Ohio Jaycees. Ron also served the Ohio JCI Senate as State President and USJCI Senate as National Vice President from Region V and as Secretary. He has also served as Secretary and Trustee of the USJCI Senate Foundation since its inception in 1986. Welcome aboard, Ron!

It Seems Like Only The Day Before Yesterday

Mate **Ken Holvenstot** (P.O. Box 1251, Cedar Rapids IA 52406) writes: "Thank you old great Keeper of *The Log* for continuing these old bones on the mailing list. I always enjoy reading of my many past Jaycee associates. It has been nearly 49 years since I was allowed into Jaycees."

Ross Smyth Authors Book on Aviation Pioneer

Mate **Ross Smyth** (8965 Tolhurst Way, Montreal, Canada H2N 1W9) is the author of "The Lindbergh of Canada, The Erroll Boyd Story" available from The General Store Publishing House, 1 Main Street, Burnstown, Ontario, K0J 1G0, Canada. The price is \$19.95 plus \$4.50 shipping (Canadian).

In 1938 Boyd escorted four teen-age boys, winners of a contest sponsored by Boyd's Aviation Scouts, on flights that were the trips of their lifetimes. Some six decades later, one of these four has brought Boyd's heroics back to life. Ross Smyth, himself a passionate aviator and pioneer Atlantic Ocean dispatcher, has traced Boyd's life - from childhood in Toronto to his adventures chasing airships and submarines during the First World War through his many record-setting flights - in "The Lindbergh of Canada."

Ross Smyth is a 37-year veteran of Trans Canada Airlines and Air Canada. We shall be seeing Ross, JCI Senator #37, at our reunion. He is especially eager to spend time again with some of his contemporaries in the Jaycees like Doug Hoge and Hugh McKenna.

News from the United States Jaycees Foundation...

15th Anniversary Hall of Leadership

The USJCC Hall of Leadership was founded 15 years ago to recognize those former Jaycees over 40 years of age, who active leadership qualities during their Jaycee career contributed to a continuation of leadership and service in their communities subsequent to their active Jaycee years. Nearly all of these distinguished individuals are members of The Crew. Inductees receive a certificate of honor and are featured in a permanent display in the USJCC Archives and Exhibition Hall in Tulsa, Oklahoma, are recognized in Jaycees Magazine and the US Jaycee Foundation's newsletter, and news releases are sent hometown media specified by the inductee.

This past January, the following five former Jaycee leaders were inducted into the Hall of Leadership - Robert E. Bencini III of North Carolina, Frederick A. DeLuca of Connecticut, mate **Charles H. Gabus** (3910 72d St., Urbandale, IA), mate **Thomas W. Baldrige** (956 Westminster-Canterbury Dr., Winchester, VA 22601), and Morris J.W. Gaebe of Rhode Island. Congratulations to our fellow Mates and the other honorees!

Chapter Grants Awarded

The US Jaycees Foundation this year has set a goal of providing up to \$31,000 in grants this year (up to \$3,000 each) to Jaycee organizations to provide financial support for programs and activities of the Junior Chamber. Although applications can be submitted at any time, they are awarded in January (deadline November 15) and July (deadline May 15). Grants were given out at the Hall of Leadership luncheon this past January to the following Jaycee local chapters:

- Auburn, Nebraska Jaycees, \$2,500 for their project to replace playground equipment in their city park.
- Johnston, South Carolina Jaycees, \$3,000 for their Community Swimming Pool project.
- Akron, Ohio Jaycees, \$1,000 for their Junior Golf Program and Practice Facility project.
- Moberly, Missouri Jaycees, \$1,000 for their Park Development project.
- Strafford, Missouri Jaycees, \$1,000 for their City Park Pavilion project.
- Owatonna, Minnesota Jaycees, \$500 for their project to improve the walkway and make Jaycee Park handicap accessible.

A Collector's Item!

The US Jaycee Foundation has commissioned the first in (what they hope will be) a "Signature Series" of collectible truck banks. The first bank will bear the signature and logo of this year's USJCC President, mate **Eric Seidel**, and sells for \$28.50 (including shipping and handling). Future banks in the series will be commissioned based on the success of this year's bank and the potential for sales of banks bearing that past USJCC President's signature. Call the USJCC Products Division at 1-800-JAYCEES to order your now!

New Officers Elected

New officers have been elected to lead the US Jaycees Foundation for the coming year, including mate **Greg Thomes** (Thomes Insurance Agency, 4169 58th St. NW, Buffalo, MN 55313), 1990-91 USJCC President, as Chairman, and mate **George Fraser II** (5550 Highway 101 N., Seaside, OR 97138) as Vice Chairman. Congratulations!
